MILLS CLAIM 50 PER CENT OUTPUT

Chicago, Oct. 3.—Officials of steel mills in the Chicago district pointed to reports of increasing numbers of workmen resuming their tasks during the past two days and indications by many other workers of their intention to return to work as upholding their prediction that production today would mount to fifty per cent of normal. Labor leaders maintained their statements, however, that appreciable inroads into the ranks of the strikers were not being made

READY TO RETURN.

An official of the United States Steel corporation's Gary, Ind., plant asserted that the 5,000 men of 9,000 on the payroll when the strike was called were at work yesterday. Five thousand men were reported ready to begin work at Indiana Harbor, Ind and reports of additional production came from Waukegan, Ill.

ARRESTS.

Three men with bricks in their pockets were arrested at the American Sheet and Tinplate company's plant at Gary, Ind., where for a time a serious clash between strikers and police guards was threatened. Several automobile loads of guards dispersed strong crowds of pickets and serious difficulty was avoided Elsewhere in the Chicago district was reported quiet.

WANT TO RETURN.

Chicago, Oct. 3.—The works council of the Wisconsin Steel company an independent plant owned by the International Harvester company which closed when the strike was called, although it was said that only 25 per cent of the men actually struck, today notified employes that if they wanted to return to work the company would re-open.

The strikers gained in East Chicago, Ind., today when the Liberty Independent plant closed Between 200 and 300 men were employed there

RIGHT TO ASSEMBLE.

Pittsburgh, Pa., Oct 3—The fight of union leaders for the "right of free speech and free assemblage" in Allegheny county continues to be the most interesting feature of the steel workers' strike in the pittsburgh district According to strike leaders, county officials and authorities of municipalities are avoiding responsibility for prohibiting mass meetings and as a result, they say, the workers' lawful right to assemble and hear speeches is being abused.

There were no new developments in the strike situation here today Union leaders and representatives of the employers made their usual conflicting statements

UNION EFFORTS GREATER.

Chicago, Oct. 3. — Strike leaders made a determined effort today to prevent further defections from their ranks in the Chicago area and as a result there were fewer new men to return to work than yesterday

At Indiana Harbor, Ind., the Inland Steel company and the Mark Manufacturing company resumed operations today for the first time since the beginning of the strike with about fifty per cent of their regular forces.

The Indiana Steel company and the American Sheet and Tinplate company at Gary, Ind., continued to operate, the former at about 50 per cent of capacity and the latter at about 75 per cent of capacity.

UNIONS GET APPLICATIONS.

Pittsburgh, Oct. 3.—Characterizing statements that strikers were deserting the ranks of organized labor as 'false, and misleading," Fred Keighly, international secretary of the Amalgamated Association of Iron, Steel and Tin Workers, said hundreds of new applications were being received for membership.

"We received 4,710 new applications for membership within the last few days and more are coming in,' he said.

RECESS IN MINE CONFERENCE

Buffalo, Oct 3.—The conference of coal operators and miners of the central competitive field yesterday took a recess until next Thursday, when it will re-convene in Philadelphia The operators wanted to meet in Washington, but the miners were opposed to this plan

The desire of the operators to meet in Washington, it was intimated, was based on their belief that ultimately the government must take a hand in the wage scale negotiations, if a strike of the 400,000 miners set for November 1 is to be avoided. The miners were outspoken in their opposition to federal intervention, holding that the issues at stake lie between operators and their employes

The recess was taken upon the recommendation of the sub-scale committee, which was appointed earlier on the motion of acting president John L. Lewis, of the miners.

NO WORD FROM 2 BALLOONISTS

St. Louis, Mo., Oct. 3.—Fear for the safety of Captain Carl W. Damman and Lieutenant Edward J. Verheyden, pilot and aid, respectively, of the Wichita, Kans., Aero Club entry into the national championship balloon race, was expressed today.

No word has been received from them since they took the air shortly after six p. m. Wednesday.

"OHIO" FARTHEST.

Apparently the "Ohio," the smallest of the ten balloons in the contest, has travelled farthest of any of the six which have landed.

Captain Warren Rasor, its pilot, telegraphed he descended at 1 p. m. yesterday afternoon at Perry Sound, Ont., several hundred miles north of Simcoe county, where the Murphysboro, Ill., entry came to earth.

FRANCE IS THE SECOND TO RATIFY

Ratification of the German peace treaty by the French chamber of deputies by 372 to 53 may be considered as assuring the approval of the Versailles peace by the second of the great powers which has voted upon it. Great Britain has already, by act of parliament, ratified the treaty and the formal announcement of ratification is only awaiting the receipt of advices that Australia, the last of Great Britain's dominions to act upon it has registered its approval. The French senate has yet to act, but its assent now seems a forgone conclusion.

HALT LIKELY.

The approval of three of the great powers, in addition to Germany, is needed to put the treaty into effect. There seems likely to be a halt in the process of making the treaty effective, however, for aside from Great Britain and France, none of the powers whose assent would furnish the necessary third ratification appears to be in the way of supplying it speedily. Japan, it has been indicated, will await American action before passing upon the treaty, and the dissolution of the Italian parliament it seems probable, will defer Italian ratification until December at least.

ITALY POSSIBLE.

There is a possibility, however, that the Italian government may declare the treaty approved without parliamentary action, as it has the power to do with treaties not involving alteration of Italian boundaries lines.

FRANCO-AMERICAN.

The Franco-American treaty ratified by the chamber is the convention negotiated by President Wilson shortly before he left France. It is intended to provide additional security to France from German aggression, in case the stipulations of the Versailles treaty should not at first provide adequate security and protection to France.

The treaty stipulation that the United States 'shall be bound to come immediately to her (France's) assistance in the event of any unprovoked movement of aggression against her being made by Germany.

FRANCO-BRITISH.

The Franco-British treaty is drawn in similar terms and for the same purpose.

It is provided that these treaties shall be submitted to the council of the league of nations for recognition to continue in force until the council agrees that the league of nations affords sufficient protection

FOR NEW LABOR PEACE LEAGUE

New York, Oct. 3.—Immediate creation of a league for industrial peace with a supreme council, similar to that created by the league of nations, to which all industrial labor disputes may be referred for hearing and decision, and which may be clothed with power to enforce its decisions, was recommended in a petition sent yesterday to Samuel Gompers, president of the American Federation of Labor, by the league of A. F. of L. members for partnership and industrial democracy. The league includes representatives of 29 unions affiliated with the American Federation of Labor.

FOR SLIDING SCALE.

One of the most striking proposals is that organized labor join with capital in establishing a system of sliding wage scales based on a standard cost of living, together with participation by labor in profits and the settlement of minor differences through works councils.

TO AVERT CALAMITY.

The petition sets forth that the nation is threatened with a general railroad strike "which would, if finally called, precipitate ruinous warfare and untold misery on all the people, not only of the United States, but of the whole world," and that "it is the bounden duty of the best influence and best thought of the American labor movement to prevent, at all hazards, such a calamity as a general American railway strike, no matter how grave the provocation may be."

TREATY OPPOSITION OVERWHELMED

Washington, Oct 3.—At last reaching the stage of action in its consideration of the peace treaty, the senate swept aside in quick succession yesterday thirty-six of the forty-five amendments which had been written into the document by the foreign relations committee.

The smallest majority recorded against any of the committee proposals was fifteen, and the largest was 28. All of the amendments considered had been introduced by Senator Fall, Republican of New Mexico, and were designed to curtail American participation in European settlements resulting from the war.

SHANTUNG TO COME.

Of the nine amendments yet to be acted on, six relate to the Shantung section, two propose to equalize voting power in the league of nations, and one would limit American representation on the reparations commission. In the absence of an agreement for disposition of these proposals, Senate leaders thought tonight that the debate might run for several days, before another roll call is taken.

PARTY LINEUP.

Throughout the day's voting the Democrats presented a solid front against the amendments, except Senators Gore of Oklahoma, and Thomas of Colorado. Seventeen Republicans on the other hand, lined up against the first committee proposal to be considered, and most of them stood with the Democrats on all succeeding roll calls Many of them announced they were for reservations which they believed would cover the same ground without endangering the treaty.

RIVAL CLAIMS.

At adjournment the treaty advocates declared themselves elated at the day's work and the opposition leaders also were claiming a victory on the showing made for their amendments.

They mustered a maximum strength of thirty-one, which with absentees, would be sufficient, they declared, to insure the treaty's defeat unless satisfactory qualifications are accepted. Thirty-three negative votes on the final roll call, they pointed out, would make impossible the two-thirds majority necessary for ratification.

TAFT CONFERS.

Washington, Oct. 3—Former President Taft, who came here today to appear before a congressional committee considering a national budget system, participated in private discussions of Republican senators regarding reservations to the peace treaty He conferred with several Republicans, including so called "mild" reservationists, and expected later to see Senator Hitchcock of Nebraska, the administration leader in the treaty fight, and other Democratic senators

ADJOURN TO MONDAY.

Republican Leader Lodge left today for Boston to attend a Republican state convention tomorrow and arrangements were made for adjournment of the senate until next Monday. No developments other than speech-making were expected before next week, when the Shantung amendments are to be taken up.

British Strike Hope Fades.

London, Oct. 3.—Hope for an early settlement of the railroad strike which seemed to brighten yesterday faded last night when it became known that efforts to mediate between the government and the National Union of Railway Men had failed.

NEWS ITEMS FROM FOREIGN CITIES

London, Sept. 11.—Burglary has increased 80 per cent in London during the past year.

Paris, Sept. 3. — Twenty thousand young men of Alsace-Lorraine, most of whom once fought in the German army, will from next month don the French horizon blue.

Belgrade, Aug. 20.—One-fifth of the population of Serbia, or about 800,000 persons, perished from all causes during the war.

London, Sept. 12.—There has been a boom in tattooing in London since the armistice. The prize-winning design was submitted by a discharged soldier who asked to have the names of all the battles he had participated in indelibly written on his arm.

COLLINS PAIR CAN'T SOLVE RUETHER

In the first inning of the first game J. Collins singled to center. The famous Eddie tried to sacrifice. Ruether easily threw out J. Collins, at second, to Kopf.

WHITE SOX SCORE EARLY IN GAME

May Decide Whether White Sox Have Chance for the Championship

Chicago, Oct. 3—Carrying a two-game lead, the Cincinnati Reds today invaded the home territory of the Chicago White Sox for the third contest of the world series—the game which virtually will decide whether the American league pennant winners are to be serious contenders for the championship or face an overwhelming handicap during the remainder of the series.

REDS FAVORITES.

In what little betting was reported today on the series the Reds were 8 to 5 favorites. On today's game there were some bets at even money but in most cases the White Sox followers demanded odds. There was plenty of Cincinnati money, but few Chicago takers.

STAY ALL NIGHT.

The first fan appeared at the park at 5:30 o'clock yesterday afternoon and shortly later others appeared. By midnight more than one hundred were in line and all night the ticket seekers increased in numbers. Special details of police were placed at the park but no disorder was reported. Included among the waiters was a fair sprinkling of women, each determined to get a point of vantage for the third game.

Daylight today saw five thousand fans gathered at the bleacher and pavilion gates waiting for the ten o'clock opening, but by the time the portals were actually thrown wide, fully ten thousand lined the streets leading to the park Police reserves flanked the crowd on all sides, while sailors and marines assisted the officers of the law.

There were hundreds of breaks in the long lines where card games have sprung up on improvised tables, while toward breakfast time the habit of "holding a place" while its occupant grabbed sandwiches and coffee became general and the unwritten law of respecting the ownership of a "place" was observed rigidly.

By six o'clock the sale price of a place in the line was $2, but by 8:30 this had been increased to $5.

Play by Play

Batteries—Cincinnati, Fisher and Rariden; Chicago, Kerr and Schalk.

FIRST INNING.

CINCINNATI—Rath up. Strike one. Foul, strike two. Foul one. Foul. Rath was out, Risberg to Gandil. The ball was a slow grounder and was easily handled. Daubert up. Ball one. Daubert filed to Felsch. Groh up. Ball one. Strike one. Strike two. Groh struck out. He missed the last strike, which was a low one over the outside corner. **No runs; no hits; no errors.**

CHICAGO—Liebold up. Strike one. Ball one. Liebold sent a line drive to Neale. The latter came in fast and got it at his shoe tops, turning a somersault, but holding the ball. Ed Collins up. Eddie Collins out, Fisher to Daubert. It was an easy grounder. Weaver up. Ball one Strike one Foul, strike two. Weaver sent a high lob to Daubert. **No runs; no hits; no errors.**

SECOND INNING.

CINCINNATI—Roush up. Roush hit the first ball pitched to Risberg, who threw him out at first. Duncan up. Strike one. Duncan singled to right center. It was on the Texas league order Kopf up. Strike one. Ball one. Ball two. Kopf drove to Risberg, who threw him out at first. Risberg messed the ball around until it was too late to get Duncan at second. Neale up. Ball one. Neale out, Eddie Collins to Gandil. **No runs; one hit; no errors.**

CHICAGO—Jackson up. Strike one Ball one. Strike two. Jackson took a terrific swing on his second strike. Jackson got a clean single to left. Felsch up. Strike one. Felsch laid down a sacrifice, which Fisher threw into center field in an attempt to catch Jackson, the latter landing on third and Felsch second. Gandil up. Gandil singled into right scoring Jackson and Felsch, and taking second on the throw to the plate. Risberg up. Ball one Strike one. Ball two Strike two. Ball three. Risberg walked. Schalk up. Gandil was out when Fisher threw Schalk's tap to Groh Risberg reached second and Schalk first. Kerr up. Four trike one Strike two. Rariden threw to Groh, thinking Risberg was going to steal, but Risberg hurried back to second safely. Ball one. Risberg was forced when Fisher took Kerr's easy tap and threw to Groh, Schalk going to second and Kerr first. Liebold up. Groh speared Liebold's drive and threw him out at first. **Two runs; two hits; one error.**

ROYAL DECREE RATIFY TREATY

Paris, Oct. 3.—Advices received by the peace conference from Rome have persuaded the members of the supreme council that Italy will ratify the German peace treaty by royal decree. The general opinion in the council is that such a ratification will be valid under the Italian constitution.

MATTOON WATER RATES CONTINUE

Springfield, Oct. 3.—Existing rates for hot water service in Mattoon furnished by the Central Illinois public service company, were continued in effect yesterday by the public utilities commission pending a further hearing.

75 ARRESTS IN OMAHA

Suspected Negro Released — Wood to Leave Tonight.

Omaha, Neb., Oct. 3.—Seven men were arrested yesterday on charges of participating in the Sunday riots, bringing the total up to 75. Governor McKelvie of Nebraska is conducting an inquiry into the cause of the disturbance assisted by state agents.

General Wood announced the city calm and made arrangements tonight for Chicago.

SUSPECT RELEASED.

The negro suspect arrested following the assault of a white woman, on the border of the "black belt," which was being guarded by soldiers, was released by order of the military forces last night. No other arrests have been made.

The city council yesterday authorized the employment of 100 additional policemen and standardized equipment, including two machine guns, thirty riot guns, automobiles and motorcycles for emergency use.

"RED CROW" NEW TITLE FOR PRINCE

Lethbridge, Alta., Oct. 3.—Indians of the Lethbridge district yesterday bestowed upon the Prince of Wales the title of "Red Crow" or "Chief Many Smiles." All the old Indian ceremonies were used in the proceedings.

BANK LIMIT IS INCREASED

Washington, Oct. 3—The senate today passed the house bill increasing the amount national banks can loan on bills of lading and, sight drafts from ten to 25 per cent of their capital and surplus. The measure now goes to conference.

SOME EMDEN BANK LOOT IS RECOVERED

Bloomington, Ill., Oct. 3.—Government bonds, war savings stamps, municipal bonds and negotiable papers, to the value of $75,000, recently stolen from a bank at Emden, Ill., were found yesterday morning in the timber northwest of that place. Bonds and war savings stamps to the amount of $51,000 are still missing.

JOHNSON IN LAST SPEECH

San Francisco, Oct. 3.—United States Senator Hiram W. Johnson, at a luncheon here Thursday told San Francisco women that the peace treaty with its Shtnaung provision is a blot on American honor, and that the league of nations as now constituted would make America a party to perpetuating this and other wrongs.

It was Senator Johnson's third and final speech here on his present speaking tour against the treaty and league of nations.

PRESIDENT'S CASE GRAVE

Washington, Oct. 3.—"The president's condition is unchanged," Dr. Grayson's bulletin, issued at 12:15 p. m. said.

MIND KEEN AND ALERT.

Supplementing his official bulletin, Dr. Grayson told newspaper correspondents that the president's mind was keen and alert and his physical condition fairly good. He also is taking some nourishment."

NERVOUS EXHAUSTION.

The consulting physicians have agreed with Dr. Grayson that the president is suffering from nervous exhaustion brought on by the strain of his work at the peace conference and his recent tour over the country.

SPECIAL PRAYER.

Salt Lake City, Oct. 3. — A special prayer for the complete and rapid recovery of President Wilson was said here today at the opening of the ninetieth semi-annual conference of the Mormon church, held in the Tabernacle in which President Wilson spoke Sept. 23.

CONSULTATIONS.

Washington, Oct. 3.—There was no improvement in President Wilson's condition this morning and Rear Admiral Grayson, his physician, who has said the "president is a very sick man," held another consultation with Rear Admiral Stitt of the naval medical school, and Dr. Sterling Ruffin, Mrs. Wilson's family physician, who participated in yesterday's consultation with Dr. F. X. Dercum of Philadelphia.

The president slept some last night. With him is a trained nurse who is assisting Mrs. Wilson in caring for the patient. The president has no temperature, and his heart action is good, it was said at the White House.

DAUGHTERS CALLED.

Mrs. William Gibbs McAdoo and Mrs. Francis Sayre, daughters of the president, are on their way to Washington. Mrs. McAdoo will arrive this afternoon from New York. Mrs. Sayre is coming from Williamstown, Mass. It was said that while members of the family had not been summoned to Washington, Mrs. McAdoo and Mrs. Sayre had expressed a desire to come. Miss Margaret Wilson, the third daughter, is now in Washington.

NO BUSINESS.

Orders of the physicians that the president be kept absolutely quiet will be strictly enforced, Secretary Tumulty said. No official business will be brought to the executive's attention, no matter how pressing Mr. Tumulty said, and no one except members of the immediate family will be permitted to see him.

The president was informed late yesterday of the defeat in the senate of the Fall amendments to the peace treaty and of the ratification of the treaty by the French chamber of deputies and this news apparently cheered him considerably, Mr. Tumulty said.

HOLD CONFERENCE.

It was announced officially that the turn in the president's condition would not interfere with the industrial conference next week. In the event that the president is not able on Monday to address a communication to the conference, Secretary Tumulty will notify them of the president's desires regarding the selection of a permanent presiding officer.

BULLETIN DELAYED.

Admirals Grayson and Stitt and Dr. Ruffin were in consultation for about two hours and this delayed the issuing of the usual 10 o'clock bulletin as to the president's condition.

DERCUM STATEMENT.

Philadelphia, Pa., Oct. 3.—Dr. Francis X. Dercum of this city, noted neurologist, who examined President Wilson as a consulting physician, said today that "the president's condition is grave, but that he is of a cheerful frame of mind."

NEEDS REST.

After spending an hour and a half at the presidents bedside, Dr. Dercum returned home at midnight. "We merely confirmed Dr. Grayson's diagnosis, made previously, and found the president very much in need of rest. He is very cheerful and takes an interest in what is going on. This is an encouraging indication."

Mr. Wilson, according to Dr. Dercum, realizes that he is a sick man and is making an effort to cease chafing under the restraint which compels him to relinquish temporarily the helm of the administration. By nature, said the neurologist, he is a "hard man to handle," from the viewpoint of a physician.

"The president is not the type of man to be worried by his symptoms," said Dr. Dercum. "This led him to overtax his strength, when he should have been husbanding it after the strain of the peace conference."

EXHAUSTED.

"The president is profoundly exhausted and very weak. He remained in bed all day. He had no temperature, but the fact that he was up and about on Wednesday and became so completely exhausted later caused everyone to be a little apprehensive."

Dr. Dercum said he would not return to Washington unless summoned.

TAKING ARMS FROM NEGROES

Helena, Ark., Oct. 3. — Federal troops from Camp Pike and local possemen and state officers on riot duty at Elaine, a small town near here where race disturbances have been going on intermittently since Tuesday, early today prepared to resume their search for arms and ammunition secreted by negroes in that locality.

The race trouble, late reports here indicated, was fomented by agitators who had aroused the negroes to participate in an organized uprising.

An announcement made at military headquarters in Elaine late last night said that about 150 rifles had been taken from negroes who had been arrested, or at the homes of negroes searched by troops.

WHOLESALE ARRESTS.

Wholesale arrests of negroes have been made, according to officials who announced early today that 285 prisoners had been taken up to last night.

TOTAL DEAD.

The known white dead in connection with the fighting remained early today at five, including one soldier, Corporal Luther Earles, whose father lives in Stotesbury, W. Va. Five white men have been wounded. Eleven negroes are known to have been killed and officials said today that number probably would be increased when outlying spots where skirmishes took place have been searched.

DISPUTES GARY CLAIMS

Washington, Oct. 3.—Giving a detailed history of union activities in the steel industry, Michael F. Tighe, president of the Iron, Steel and Tin Workers' Union, told the senate committee investigating the steel strike today that the United States Steel corporation instead of leading the van in advancing wages, as Judge Gary has claimed, has lagged behind our organization

"Information given to you by Judge Gary, Tighe said, "was not first hand evidence gained from practical knowledge of the industry but instead consisted of the statements made to him by his employes, foremen and superintendents. It was far and away from being the truth about the industry."

NO COMPROMISE SAYS GARY

Washington, Oct. 3 — Standing squarely on his assertion that the issue in the pending strike throughout the steel industry is the open shop, Elbert H Gary, chairman of the board of the United States Steel corporation, completed his testimony yesterday before the Senate Labor committee investigating the steel controversy

During colloquy with committee members, particularly Senator Walsh, Democrat, of Massachusetts, Mr. Gary declared that he could not now consider compromise or arbitration, of meet with strikers representatives.

The Senate during the day by resolution approved the committee's plan to carry its investigation to Pittsburgh and other steel centers.

PORTER MILLIKIN COMMUNITY SERVICE

Appointed Member of Executive Committee.

Porter J Millikin has been appointed as a member of the Executive-Finance committee of the Community Service, incorporated, which will soon establish community centers throughout the state The community service is the outgrowth of War Camp community, and Nov. 1, will take over that organization with its 600 established centers throughout the country and the organization with which it did such remarkable work in establishing and maintaining the morale of the American troops.

The Community Service should not be confused with the Community Council work, as it is an entirely separate movement Mr Millikin has not yet done anything locally with the movement

Major A A. Sprague of the Illinois Executive-Finance committee outlines the purposes of the organization as follows

PURPOSE

It will revive the neighborhood spirit teach the foreign born the the lessons of Americanization; direct the leisure time of the people, and a stimulating substitute for the disappearing saloon; organize the social educational and recreational resources of our communities on lines so broad and democratic as to win the support of all races, creeds and classes, develop community interest around the community need, which is the need of the individual, making the concern of the individual the concern of the community, make every community a good place in which to live not merely for some of us but for all of us

"Community Service, Incorporated, purposes to continue and enlarge particularly in industrial centers, the constructive type of community organization which was conducted by the War Camp Community Service in 600 cities during the war Its purpose then was to develop a higher morale for the soldier as well as for the citizens, to the end that the nation might win the war The war is won, but the problems of reconstruction are yet to be solved, and they will be solved intelligently only as the people bring to them a spirit of poise courage and hopefulness

"Community Service Incorporated, has been organized on a national basis The response has been gratifying and already the initial work has been completed in Connecticut, Indiana, Massachusetts Michigan, Pennsylvania, New York, New Jersey and Ohio. Illinois must take her rightful place in a movement so essential to the peace and contentment of the nation."

FIRES AT NIGHT AGAINST THE LAW

Complaints Already Being Made to Police.

Already complaints are coming to the police that people are burning leaves and trash at night. This is against the ordinance, which prevades that no such fires shall be started after sundown or before sunrise. The ordinance also prohibits the burning of leaves or anything else on streets paved with wood block or asphalt, or streets paved with bricks having asphalt or tar filler. A stiff fine is provided for violators of the ordinance.

RABBIT SHOW ON DECEMBER 9-13

Seven New Members Admitted to Association.

Seven new members were admitted to the Breeders and Fanciers association of Macon county at a meeting held Thursday night and T. H. Gatchell, Joseph Cushing and J. A. Farmer were nominated as registrars for Macon county. The first annual exhibit will be held Dec. 9 to 13. Judge C. S. Gibson will select one of the three men then as the registrar.

Rabbits to be eligible for registry must not only have the needed pure blood strain but they must also be good specimens themselves.

The members of the association present at the meeting Thursday night subscribed money enough to cover the expenses assured of being a great success.

Household

Meat Prices Will Drop If Housewife Buys Wisely

BY BIDDY BYE.

One way to cut down the high cost of meat is for each individual housewife to make a thorough study of the cuts of meat she purchases—to learn which are the costly and which the cheaper cuts—and how the cheap cuts can be improved in cooking.

Every housekeeper should also know the characteristics of various kinds of meat by which she can judge whether it is fresh or old, tender or tough.

Good beef should be firm and fine-grained in texture, and bright red in color when fresh. The fat should be firm and yellowish in color, and should be dry and crumbly.

Veal should be pinkish in color, with the fat firm and white.

Mutton should be bright pink, and of fine-grained texture. The fat of fresh mutton is hard and flaky, and the bones should be white.

Pork should have a clear white skin and flesh of pinkish color.

In buying all meat remember that the tender cuts are from those parts of the body which has little exercise. Such cuts are adapted to broiling and roasting. Neck cuts include more bones, and the cuts on and near the legs are tougher because more muscular.

All cheaper cuts of meat require long, slow cooking, for which purpose the fireless cooker is ideal.

In buying beef remember that the following cuts are suited to the following manner of cooking:

1. Neck—use for stew, pot roast, hamburg steak, meat loaf.
3. Chuck—stew and beef loaf.
3 Shoulder—pot roast.
5. Fore shank—soup.
6. Cross ribs—roasting.
7. Plate—boiling and corning.
8. Loin—roasting, broiling, steaks.
9. Flanks—steaks and stew meat
10. Round—broth, pot roast, steak braising.

Other parts of the beef that should be used occasionally are heart, tongue, liver, kidneys, suet and tripe.

In buying mutton the following cuts should be cooked:

1. Neck—for soup and stew.
2. Chuck—roasting and stewing
3. Shoulder — broiling, roasting, stewing.
4. Breast—pot roasting and stewing
5. Loin—broiling or frying.
6 Leg—boiling, roasting, steak.

In buying pork cook the following cuts thus.

1. Head—for headcheese
2. Shoulders—roasting and boiling.
3 Back—salting, pickling.
4. Middle cut—salt pork and bacon
5. Belly—salted, pickled, or in sausage.
6 Ham—cured, also for roasts.
7. Ribs—spare ribs, chops.
8 Loin—roasting and boiling.

The cheaper cuts of beef are flank steak, chuck roasts and shank

The cheaper cuts of mutton are shoulder, neck and breast

The cheaper cuts of pork are shoulder, ribs and leg cuts.

R. C. AUGUSTINE NOW IN CANADA

Meets Ralph Connor, Famous Author, At Luncheon.

R. C. Augustine, who is at present in Canada in the interest of the American Optometrists' association, writes home that recently he attended a luncheon of the Kiwanians, a club something like the Rotary club, and was seated beside Rev. Charles W. Gordon, better known as "Ralph Connor," author of the "Sky Pilot," "Black Rock" and other well known books.

Mr. Augustine enjoyed meeting the famous author, but says he is not as good a speaker as he is a writer. A woman, who was formerly organist in Ralph Connor's church in Winnipeg, told Mr. Augustine that often while he was in the midst of writing a book it would be necessary for the publishers to send some one out to Winnipeg to prod him on, or he would never get the manuscript done.

At Regina Mr. Augustine spoke before the Rotarians at their noonday luncheon, before the Optometric convention, and twice before school teachers and students.

TOO LAZY TO CARRY IT

Shelbyville, Ill., Oct. 2—Oscar Baillie of Shelbyville, while driving on the Findlay road north of town near the Frisco railroad Tuesday saw a suitcase standing by the track. Baillie, having his curiosity aroused, stopped and made an investigation.

He found the suitcase to be empty but comparatively new and in good shape. Attached to it was a note to the finder which read as follows: "Owner going on bum, too lazy to carry it"

BROOMCORN DEMAND CONTINUES GOOD

Arcola, Oct. 2.—The demand for broomcorn is still good and broom business generally improving, sums up the situation about as well as devoting several columns to the subject, says the Broomcorn News.

In the central district sales have not been so numerous for the good and sufficient reason that there remains comparatively little of this season's crop in first hands. Occasional sales have been made at $300 to $350, mostly at the latter price. Old corn has sold at $150 to $300. The farmers who have corn on hand are disposed to be sellers, but want to get all the market will stand. Few of them are disposed to hold after last fall's sad experience.

THIS YEAR'S TONNAGE.

The United States government bureau of crop estimates figures a tonnage of 55,300 tons of corn in Illinois, Kansas, Texas, Oklahoma and Colorado, the five chief producing states. Their estimates on Illinois is 7,500 tons which is practically 1,000 tons too high. Missouri, New Mexico and minor producing states will add some thing to the totals.

VANDALIA.

The body of Richard Lavery, was brought here for interment Sunday, He had lived here a number of years, leaving here with his family for Clinton about fifteen years ago. He has resided in Jacksonville the past five years. He leaves five children, Miss Pauline, Harry and Vincent, at home; Victor at Villa Grove and Mrs. Gertrude McDermott, of St. Louis; one brother, George Lavery, in Decatur; all were in attendance at the funeral. His wife died last November. Mr. Lavery was seventy years old.

Mrs. S. B. Murray joined her husband in Fort Worth, Tex., Tuesday.

Monday night about thirty of the neighbors and friends of Mr. and Mrs. W. W. Shonk met at their home to assist them in the celebration of their forty-fifth wedding anniversary.

Mrs. Nettie Ecker has been appointed as the new matron at the rest room. Mrs. Ida Lakin, who served for fourteen months, resigned several months ago.

Mrs. S. M. Looper accompanied her daughter-in-law, Mrs. Harry Looper, to her home in Charleston, S. C., where she will spend a month.

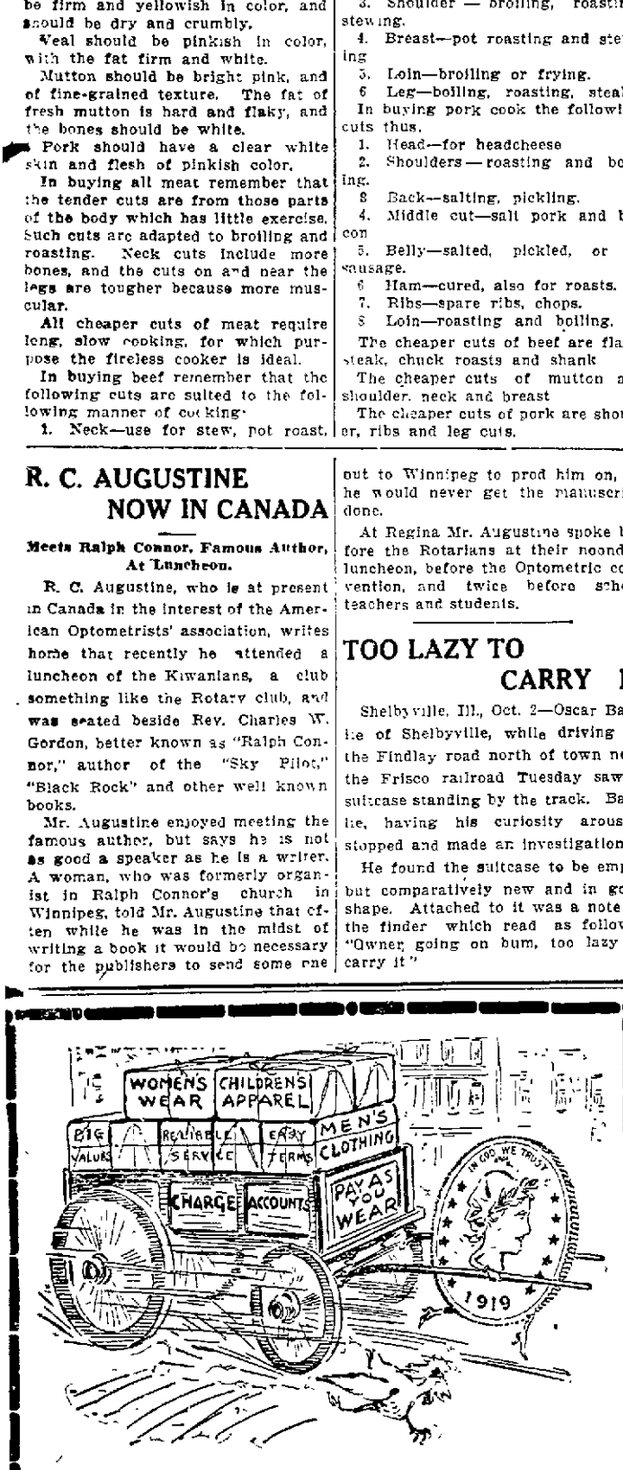

George Greer and Charles Mausmann left Wednesday, the former for Denver and the latter St. Louis, where they will attend school, studying dentistry

Miss Kate Lipple went to Centralia Tuesday to attend Brown's Business College.

James Lawler went to Wesson, Miss., upon a telegram from S. B. Stott telling him to come to help pack. It is supposed Mr. Stott has sold the plantation and is preparing to return to Vandalia to reside.

SHAW PLANE IN FOURTH ACCIDENT

Landing Gears Stripped and Each Wing Injured.

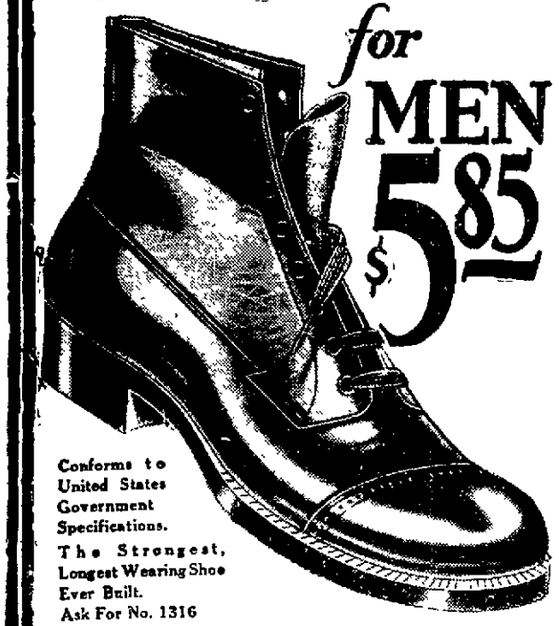

R. B. Shaw's airplane stripped itself of its landing gears when Pilot Ed Nelson attempted to land in the field northeast of Decatur and the wheels of the gear caught in a small ditch Thursday evening. Mr. Nelson, fearing the wrecking of his machine if he should land in that field, rose, flew across a road and landed in a plowed field where he broke a beam on each of the wings.

Repairs on the machine will be completed by Monday night. No one was injured in this fourth accident which has happened to the plane since it was bought by Mr. Shaw recently.

ALL D., H. S. MEN HAVE RETURNED

Marshall Hamilton Last to Get Back From Service.

Marshall Hamilton of Harristown, who is the last of the high school service men in France, returned home last Saturday. He is a son of Mr and Mrs. Arthur Hamilton, who went to Washington to meet him. He was a member of the 5th Artillery, First division and was in service twenty-seven months. His division paraded in both New York and Washington. He graduated from the D. H. S. in the class of 1916.

STRADER HERE.

Martin Strader, another of the service flag men and a member of the class of 1916, came home last Thursday. He was in Germany with the army of occupation for several months. He left Thursday for Chicago where he will enter Armour institute.

There are others of the D. H. S. flag men still in the service, but Miss Lida Martin, who has made it her business to keep track of the 290 D. H. S men who went into service, believes that there are now no more of them overseas

STALEY JOURNAL FOR OCTOBER OUT

Leading Article Is by M. P. O'Brien, Safety Engineer.

"A Greater Staley's," by M. P. O'Brien, safety engineer, forms the leading article of the October number of Staley Fellowship Journal, which has just been issued.

The article is very fully illustrated with pictures of the various buildings under construction as well as general views of the whole plant. Mr O'Brien tells many interesting things about the great amount of work being done, incidentally saying in his story that the company has laid three miles of railroad tracks within its grounds, forming one of the best private switchyards in the state.

An article on 'The Dust Menace," stories about the people in the various departments of the plant, recipes for various kinds of pickles and relishes contributed by Miss L. A. Harkins, home bureau adviser, and the usual number of jokes and cartoons relative to different persons in the Staley organization, make up an excellent magazine of forty pages.

REVIEW NEWSBOYS HAVE BIG "EATS"

Missed Big Picnic so Have Special One.

Review newsboys didn't get their share of the big Review picnic until Thursday evening, but when it did come it was a record-breaker, at least as far as the "eats" are concerned. The boys had a spread at 6:30 Thursday evening at the Y. M. C. A. At the time of the big Review picnic last week, the newsboys were on duty and could not share in that event, so the supper for these boys alone was arranged.

The supper was served at tables which accommodated ten each, and they were practically filled, nearly fifty boys being in the party. The menu wasn't so long, but the bringing in of more supplies, it seemed to the waiters, would never come to an end No matter how much a boy had eaten he had still plenty of room for more They were filled up, however, at least until they couldn't eat any more and then they had to turn their attention to something else. The menu included hot buns, escalloped corn, roast beef, mashed potatoes, gravy slaw, cocoa, ice cream and cake.

GIVE LUSTY YELLS.

Anyone around The Review and immediate neighborhood knows how the newsboys can make a noise, but while they were giving their yells after the supper last evening they broke another record. Arnold "Monk" Moore led the boys in the yells. They also sang songs, the singing being led by Charles Gearish, who did a splendid job in leading them. After the boys had made all the noise they could with their singing and yelling they were entertained with a comic moving picture film, and this was followed by a number of contests including tug of war, relay race, soccer ball, basketball and others. The evening's fun ended with a swim in the pool.

The boys were in charge of John Huber, Charles Gearish and W. H. Coonradt.

GEORGE P. BYRNE BUYS NEW HOME

Locates at Hollis on Long Island, Near New York City.

Mr and Mrs. George P. Byrne, formerly of Decatur and now of New York City, recently purchased a new home at Hollis, Long Island. Hollis is thirty-five minutes ride from Mr. Byrne's office in the United States Express building, down town New York, by the Long Island railroad. The house is a new one, having just been finished, and is delightfully located.

Hollis is a residential town, made up largely of New York people, since it is so convenient to New York City It is fifteen miles from Mineola, where the big flying field is located and about twenty miles from Oyster Bay. It is ten minutes, in point of time, from the ocean.

KOPF AND ROUSH DEFEAT WHITE SOX

First Makes Hit and Latter a Great Catch.

Cincinnati, O, Oct 3 — Almost criminal wild pitching by 'Lefty' Williams and highway robbery that was ultrasensational by the Reds, beat Chicago's White Sox Thursday in the second game of the world's series by a score of 4 to 2

Although the Gleasons outbatted their antagonists more than two to one they could not tie up the series because of a flock of bases on balls gave the Reds three runs in the fourth inning and all but one of the Reds turned highwaymen The exception was Neale, the pugilist who donated the two runs which kept the visitors from being shut out

TEN BINGLES.

The Sox made ten hits that went safe and as many more that did not while the Reds were copping a measly quartet of bingles off Williams, but the locals might have done more swatting If they could have reached the ball A three-bagger by Kopf was the determining factor in the fourth inning after the Reds had extracted three free tickets from the generous White Sox southpaw

SALLEE'S SUPPORT FINE.

Slim Sallee owes his triumph to the wonderful support given him Few pitchers have been hit harder in a world's series than he was and the White Sox had chances to break up the game in every inning except one In every round that mattered they were balked by startling plays performed by the Reds

But the play that decided the game, aside from Kopf's three-bagger, was a miraculous peach by Roush in the sixth chapter with Weaver on third Hap Felsch hit ball several miles over center field and it would have been good for a home run if he had hit it in any other direction Here it was possible for Roush to tear back to within a few feet of Western avenue and pick that pill out of the sun over his shoulder while running at top speed It was a catch of a lifetime and it squelched one of the most likely-looking rallies the White Sox ever made. BLUE MOUND GETS READY FOR FESTIVAL

Blue Mound, Oct. 3.—Blue Mound is making big preparations for its fall festival which is to start Oct. 8 and continue through the 11th. Farmers are selecting corn and other farm products for the exhibitions and getting live-stock in shape to make a good showing.

BIG REST TENT

There will be domestic and art exhibits and a poultry show The business street will take on a new appearance with tents and side shows One of the features of this year's festival will be a big tent put up as a place of rest and recreation. L. W. Crow is arranging for a program of music to be given at this tent. There will be free attractions at the carnival and band music each day.

When Bowlers Meet

Fun, good health, good nature and good cheer are always in evidence when bowlers meet.

When exercise takes the form of play it is worth hours of grim calisthenics with the dumb-bells.

Keep fit. Keep in trim. Business men must take care of their health, or the danger of breakdown is ever present.

Get in the game tonight.

THE QUALITY OF SERVICE

Men laying street pavements in this city report they are delayed because the railroads don't get material to town.

There are others who have something to say along the same line The manager of a chain store here tells his experience.

In the days when roads were under private management the central supply station in Chicago made its weekly shipments to this store on Tuesday of each week. The goods got here on Wednesday afternoon.

Railroad delivery got a little slower, as the Chicago end made its shipments on Monday afternoon. For a time, following this, the goods got to Decatur on Friday, then they began to show up on Saturday, and now it is not unusual for them to loiter along the way until the following Monday

Lately we had something about unloading cars in short time so as to keep the rolling stock moving. Well, the country can't well unload the cars before they reach destination

TO BE NEIGHBORLY

A young lady went to the University of Illinois to take post-graduate work for a degree. When she got there they learned she knew something about Spanish, so at once they named her an instructor in the big school.

It is explained that at the university they have 1,000 students taking Spanish. It is a difficult matter to find teachers for all the classes. It happens that in most educational centers in the country there are many who want Spanish, so there is a demand everywhere for teachers of the language.

From this it appears that Spain is to get something out of the upheaval that has come upon the world. It isn't because Spain played any part in the big war; it is just a matter of good luck for that country

The war did impress many with the need of being practical. South America to the south of us speaks Spanish. We have decided it is worth while to get ready to be neighborly.

INTEREST IN RUSSIA

David R. Francis, lately ambassador to Russia, warns us that if Germany is permitted to continue its nefarious operations in Russia, Germany will after a few years become as powerful as ever.

In this one can see the interest the world has in establishing an honorable and a responsible government in Russia. With the buccaneers now in control in a big part of that country there is no chance to curb the activities of a German statesman who is filled with nefarious proclivities.

No one in his senses would trust the Lenine and Trotzky crowd to resist profitable blandishments that may come from German plotters. These Bolsh have no country, so of course they will sell out any spot they may occupy temporarily. And in a pinch they will come pretty cheap.

IT LOOKS ONE-SIDED

In the senate Thursday they had a vote on the first of the Fall amendments to the peace treaty. The honorable members decided by 58 to 30 to let that part of the treaty stand as written.

This was a vote of about two to one for the treaty as written. It is possible that other amendments will fare better than did this one, but it does look as if a decided majority of the senators are for the treaty.

If the final showing is to be anything like indicated in this case, why has all this time and vituperation been wasted? If a body stands two to one for the treaty, or anything like that proportion, there isn't much call for further argument.

But we may expect a much closer showing on other amendments on which the roll will be called later

WINE AND CIDER

In conference with the house the senators at Washington have prevailed in their "liberalizing" amendments, and it will be written in the statute that light wines and cider may be made in the homes.

The observing ones never had any doubt about the fate of cider. This is something that is made by the honest yeoman; and when you try to run over his ancient privileges, tires burst, the carburetor explodes, and the roadway erupts. You can't monkey with the farmer and expect any profit.

But there was doubt as to what they would do with light home-made wines. These are to be saved. They will not amount to much as quality wine, but it is possible they will take on improvement after a generation or two

A SERIOUS AFFLICTION

It is told that on both sides in the senate in Washington there is a general feeling that not one vote on the peace treaty will be changed by all the oratory we have had and that is yet to be tapped. Men who are to do the orating have this feeling.

And why does as wise a man as a senator put himself to all this trouble and bother when he knows he can accomplish nothing at roll call? Locally we used to smile when it was told that a fellow citizen had a speech in his system and had to work it out.

It wasn't a thing to induce a smile. It is a serious affliction, as we now learn from the honorable senators.

PASS THE RELISH

An item in the Household department in this paper Thursday furnished a list of relishes for various meat dishes. It is to be found on page 2 of that issue, and is worth noting

The relish that is served with meat is most of the making of the dish Some cooks don't know there is such a thing as relish—at least they class themselves as cooks.

But there is such a thing; some discerning ones have known it for ages. In these times we can't have meat often, so it is all the more necessary that we get the largest measure of enjoyment out of it when we can have it.

WILL SAVE MUCH MONEY

A householder remarked Thursday that his family will make quite a saving on eggs this fall and winter. He was asked how this could be, for fresh eggs that day were quoted at 60 cents.

His explanation is that his family will not have eggs this winter as a regular part of the diet. Last year they stored sixty dozen eggs in his family, for which they paid an average of 40 cents This year they have stored none, and they will do without at prices now prevailing

It only means one doesn't have to be miraculously shifty to sidestep some of the high cost of living

THE UNWRITTEN WORK

How does it happen that Cincinnati with less than half the number of hits and with twice as many errors, beats Chicago by a final score of 4 to 2?

It is another feather in the cap of Pat Moran. They will tell you it is because he knows the "inside" of the game, something beyond the ken of the Comiskey crew of rough sledders.

But all this may be affected by the final outcome of the series. Comiskey may issue an order to his men to get "wise." and not to delay the thing.

W. A Wallender has been in this town for twenty-seven years, so we are guessing he will return from Missouri; and he will find the latch string hanging outside.

The gate at these big ball games runs about $100,000 per, which isn't so much when you reflect that about a hundred million people are excited over the outcome.

We are not told just what new mixture they are using for the non-alcoholic drinks being served, but we are beginning to see northern lights as early as 9 o'clock in the evening.

By making a fast run on the final lap M. L. Harry got to New York just in time to put the finishing touches on the welcome extended King Albert.

If you haven't paid your city wheel tax Commissioner Van will make a suggestion that you be locked up for the remainder of the fiscal year.

They are calling in nerve specialists to pass on the case of President Wilson; but about all any of these fellows can do is to prescribe rest.

Anybody who can't get accommodated at the University of Illinois will find himself in luck if he buys a ticket to Decatur.

Washington is to start a sugar probe, but will it get us any sweetening?

As long as the C. I. & W. management hangs on to excursions we are for it.

Safety catches on revolvers are only a talking point in making sales.

About Town

STANLEY GRIMES thinks that the way to fight the smoke nuisance successfully is that adopted at Chicago in regard to the boats.

Recently when in that city he was on a small boat and he remarked to the fireman on how little smoke came from the stack of the boat.

"Huh," said the fireman, "I was told that if I let a particle of black smoke come out of that stack that I would be fined. I don't want to pay any fine and so I see to it that I fire so as not to create smoke."

Fining the fireman instead of the owner of the boat or the owner of a building is getting at the real place where the trouble starts.

It is very generally agreed that faulty methods of firing are to blame for about three-fourths of the smoke created.

IF YOU are inclined to fuss and fume occasionally about street car service in Decatur just remember that the cost per ride is still only five cents and that transfers do not cost anything.

Six, seven and eight cents fares with a penny charge for transfers are becoming so common through the country that traveling men who get on the street cars in Decatur quite frequently try to pay more than the five cents asked here.

Wednesday afternoon a traveling man got on an Eldorado street car at the most crowded moment and pulled out a ten dollar bill with which to pay his fare.

The motorman protested that he did not carry that much change and the traveling man was much distressed.

"That's all I have except six cents," he told the motorman.

"Well' what's the matter then," said the motorman, "with your paying your fare out of that. The Decatur rate is only five cents."

Ten Years Ago Today In Decatur

OCTOBER 3, 1909.

Mrs Robert Leforgee, who was visiting her sister, Mrs. E. R. Culver, was here to sell the curios she had been collecting for years and which she had stored in her home at 1723 N. Morgan street.

H. D Greider's Oldsmobile was struck by a street car at Water and King street and damaged to the extent of about $600.

The railroad and warehouse commission was here to see about crossings the I. T. S. would have to install on the new belt line.

R I. Hunt bought the Oglesby building at the southwest corner of Water and East Main for $30,000.

TWENTY YEARS AGO TODAY.

Two of the union coal men on strike here, returned to work at the new shaft of the Decatur Coal Co.

Rev. J. W. Eckman of Arcola decided to not accept the pastorate of a church at New Salem, Ill., but to move to Decatur instead.

A famous Mexican band passed through on the Wabash and entertained a crowd of people at the depot.

Many industries of the city were starting to close down because the last of the outside coal mines were cutting off their coal supply.

CAPTAIN BOGGESS VISITING BROTHER

Has Been in Army Service for Many Years.

Captain Willis Boggess of the quartermaster's department of the army returned to Decatur Wednesday night to visit his brother, Attorney W. Na Boggess, and other relatives, after a absence of twenty-one years. Twenty-one years ago Captain Boggess was studying law in the office Attorney I. A. Buckingham.

A few days before time for him take his examination to be admitte to the bar he made up his mind tha he didn't care especially for the law as a profession, and he started wes without any particular destination i view. On reaching Denver he met a officer recruiting soldiers for the Philippine service, and he at once enlisted. He has been connected with some branch of the service ever since He has traveled all over the world on government business, and during the world's war he was in France much of the time. He returned from France only a few weeks ago.

Just Folks by Edgar A. Guest

HIS REAL PICTURE

We've had his picture taken a dozen times or more;
We've got him as a baby in the dresses that he wore,
We've got him with his mother, and we've pictured him with me,
But the camera's only seen him in the way he ought to be;
And I'd like to have his photo as he really is today,
With the glorious dirt upon him that he's gathered in his play.

We've had his picture taken when his garments all were trim,
And his face was fixed and solemn, but they don't resemble him,
For they do not show the twinkle in those roguish eyes of his,
And they don't portray the rascal as he mostly always is—
He is slick and solemn sometimes in his white and starchy shirt,
But his natural condition is to grin through grime and dirt.

I wish I were a painter, I would canvas him today
In those soiled and tattered garments which he wears when he's at play;
I would paint him in the knickers which have sagged unto his shins,
And the shirt waist clinging to them by the grace of safety pins,
And I'd try to catch the glory of that smile from ear to ear,
When the dirt is thick upon him and his face is just a smear.

His mother says we musn't, but I still insist and say
That we ought to have him pictured as he really is today,
For I know no sight that's finer for a man to look upon
Than a happy grinning youngster when his two front teeth are gone;
And when I come home at evening and he answers to my call,
I just grab him up and kiss him, for I love him—dirt an' all.

SENATE PASSES ALASKAN BILL

Washington, Oct. 3.—Without a record vote the senate today passed the house bill appropriating $17,000,000 additional for the completion of the Alaskan railroad. The measure now goes to the president.

PANA CATHOLICS IN OCTOBER DEVOTIONS

Pana, Oct. 3.—The October devotions of Saint Patrick's church opened Wednesday evening. The services consisted of the Rosary, the Litany of the Blessed Virgin Mary and Benediction of the Blessed Sacrament. These services will be held every evening in the month in honor of the Blessed Virgin Mary.

The opening services were conducted by Rev. J. P. Moroney, the pastor of the church, and a large crowd attended.

NEW THEATER OPENS.

The New Gem opened up Wednesday afternoon with a matinee in its new quarters in one of the Frank Brown rooms and from now on will give regular afternoon matinees with music and evening movies, the same as in its old location.

While this room has been remodeled in every way and is very attractive well ventilated and safe, it has been done only with a temporary view. Charles Lane having recently purchased the two store rooms of Frank Brown on Locust street with a frontage of forty feet and depth of 100 feet, it is his intention in the spring to throw these two rooms together extend them back the depth of the lots to the alley, giving a clear floor space of 40X100 ft.

PLANS LARGER BUILDING.

With a deep lobby, properly adjusted floors, a spacious stage and a seating capacity of 1200 he proposes to have by the beginning of the next season one of the most complete theaters both for pictures and the legitimate drama in central Illinois.

NEW ELECTRIC SIGN.

Last night the new electric sign of the Granda Brothers at the Empress Pool room was illuminated for the first time and attracted much interest. It is of the wave effect, contains 300 incandescent lights of red, white, blue and green and can plainly be seen the length of the street.

WAGON LOAD OF CABBAGE.

Yesterday a farm wagon load of cabbage was seen on the street, the first large load of the season. The quality was fine

VOTE ON BASIN.

The election to authorize the city to issue $20,000 in bonds for the construction of a settling basin in connection with the city water system is on today. This is one of the great needs of the city, but as is always the case in matters of this kind a very light vote is being cast.

PERSONALS.

Miss Mary Gilbert of Taylorville is spending the week here with friends.

Professor Cloyd Wright is moving into the Russell flats which he recently rented on East Fourth street. Mr. Wright is the principal of the Washington school.

Miss Cathryn Sommers of Oconee is the guest of her sister, Mrs. Paul Byers at Rosemond.

Miss Greenman of Champaign is the guest of Miss Grace Mouts this week.

Mr. and Mrs. William Tungate were in Pana yesterday enroute to their home in Mendota.

Mrs. A. H. Owens underwent an operation at the Huber Memorial hospital Wednesday.

Judge J. H Fornoff of the city court has a very sore hand, due to an infected finger.

The Fear That Haunts Your Fireside

THE fear that hovers over your chair as your little ones clamber on your knee and in their happy, playful way display their confidence that you will always provide for them.

The fear that goes with you each morning to your office, and meets you at every turn in the day's work.

It breaks suddenly into your enjoyment of future plans—it is the constant companion of your waking hours and often of your dreams.

It is the fear of Death that may reduce your family to poverty, steal from your children their education and heap upon your faithful wife burdens that will leave her bent and worn, perhaps send her to her grave long before your children are ready to face life's problems alone. Health seems boundless. Death in the distant future.

Youth Sees This Fear But Dimly

Yet each passing day brings you closer to the moment when the hand of Death will be laid on your shoulder.

There is no reprieve and but one solace—the knowledge that your life insurance will be the protecting hand raised against poverty, worry, distress and uncertainty, ever hovering like vultures, ready to gnaw at the hearts of lonely mother and helpless children.

Life Insurance is the Great Protector of Life

It cannot help you after you are dead.

But it keeps a cheery fire on the hearth and educates the boys and girls.

It provides the money for your widow that she may spend her later years in ease and contentment.

It gives the parents who may be depending upon you now, a regular monthly income so that they will not be left without your supporting arm if your efforts should be cut short like thousands of others.

It pays the mortgage on your home or prevents your business from going to pieces for lack of ready money to meet immediate obligations.

It buys a farm.

It starts the sons in business.

It gives the daughters social advantages, pretty clothes and merry weddings.

Life Insurance is Life

—and comfort—and gold—and happiness for old and young.

We have a Special Policy which will pay the face of the policy at death, double the face if death is accidental, and in event of total disability, the policyholder, in addition, gets $10 per month per thousand insurance, paid as long as he lives.

If you prefer to BUY Life Insurance rather than to be SOLD, you will profit by a conference which we will be glad to arrange at your convenience. We prefer to act in an advisory capacity because we believe that the individual needs of the buyer should be given first consideration.

Combing Won't Rid Hair Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely To do this, get about four ounces of ordinary liquid arvon, apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better

You can get liquid arvon at any drug store It is inexpensive and never fails to do the work.

The Warning— Danger Ahead

DON'T let your kidneys be slackers They are the organs that purify the blood — keep the intestines clean On them depend the proper functioning of the bladder and stomach

DON T fail to heed the danger signal of backache headache, dizzy spells swollen joints throbbing loins or sharp jabs of rheumatic pain

DON T resign yourself to a life of misery People sick and complaining aren t natural — ain t be and they are the biggest nuisance alive Folks will shun you if you are a says ailing

DON'T grab at the first "cure" that comes along Be careful Take a tried and tested remedy that has been helping thousands for more than forty years

DON'T accept substitutes—go to another druggist Make sure you get the flat round box with Dodd's name on the top Remember—three D s

Your druggist has Dodd s Kidney Pills They have been a standard remedy for two generations If he is out of his supply send us 60c. in stamps, mentioning the druggist's name, and you'll get the genuine pills from the Dodd Medicine Co, Buffalo, N Y

CHADSEY REFERS TO NEED OF MILLIKIN

Discusses it as Need of Community.

AT UNIVERSITY CLUB

Endowment Also Subject of Talks.

"Increasing the opportunity for education increases the number of children who will take advantage of the opportunity Increase the number of high schools in a community where distances count will immediately increase the number of high school students Make the more easy the acquiring of a college education easy in the matter of opportunity to secure such an education and a very great increase in the number of such students comes about very quickly" said Dr C J Chadsey dean of the school of education at the University of Illinois, in his talk on the community in its relation to its schools at the opening meeting of the year of the University club at the Y. M C A Thursday night.

REFERS TO MILLIKIN

Dr Chadsey repeatedly referred to the situation in this community in relation to Millikin university and how the establishment of that school, which had already justified its existence here by its attendance and its work, made possible the higher education of children who would not, under conditions of needing to leave home to secure such an education, have that chance

Every town of 5 000 inhabitants or more should give to its children opportunities for college work to at least the junior year Every city as large as Decatur should have within itself an institution either municipal or endowed, a college which would give to its children a full four years college course"

SHOULD BE CLOSE

Dr Chadsey spoke of how slight an obstacle in the way of expense would often turn the scale against the child's chance for an education The ten cents a day needed for carfare would often be more than a close pressed father could spare to keep his child in high school How much more serious was the fact that in many communities there is no opportunity for college training unless the child's parents can afford to send him away to school

Dr Chadsey spoke of his effort to establish an institution of higher education in Detroit which had only one small school open to men only and otherwise limited He told of the great growth in all universities and of the fact that Millikin could in no sense be looked upon as a competitor to the state school That both would grow beyond their ability to care for their students and that increase in number of good institutions of learning only increased the attendance at all

DISCUSS MILLIKIN

Following the talk by Dr Chadsey J W McDonald, president of the club called upon Dr J C Hessler acting president of Millikin and J O Engleman, superintendent of the public schools to lead the discussion

Both of these men spoke of the danger to education and thereby to true democracy, of the lessening number of young men and women who are entering the teaching profession because of the increasing difficulty of living on the salaries paid to teachers of all schools primary, secondary and collegiate

THE ENDOWMENT

The campaign for the endowment fund for Millikin came into the discussion and both Dr Hessler and Superintendent Engleman referred to the fact that the appeal for subscriptions have had often to be based on the purely materialistic gain to the community of having such an institution established in the city Both spoke of how it is to be regretted that the appeal cannot be made more generally on a higher motive the real motive of great future cultural opportunity to the children here as much, at least, as to the fact that establishment and development of a good college at Decatur is bringing and will continue to bring additional families to this city.

PREDICTS SUCCESS

Dr Chadsey predicted that the small remaining amount needed for the endowment would be secured that additional millions would also come later, and that all would be needed to meet the tremendous growing demand wherever such an opportunity is offered for a college education

Dr. Chadsey left in the minds of his hearers a deep conviction of the value of Millikin university to Decatur as every community of similar size needs and if it does not have it, misses in increasing emphasis, such an influence

Thursday afternoon Dr Chadsey talked to the teachers of the public schools at the high school on "Some Problems in Public School Education"

LAUNCH MILLIKIN DRIVE IN COUNTY

Townships Organizing for Endowment.

Macon county is much interested in the success of the Millikin endowment campaign This was conclusively proven by the experiences of the teams of Decatur men who were in the different sections of the county Thursday afternoon making a preliminary survey and laying plans in each township for an organization to canvas for the fund

Men interested in the success of the drive were found in every township visited These men will create local organizations under which the townships will be canvassed for subscriptions to the fund.

SOME ORGANIZED

Local organizations were actually formed in Mt Zion and Milam townships where A H Mills, J E Osborne and Rev J W McDonald visited

Hayden Veech of Long Creek assured Henry Hansen and H C. Schaub that he would organize that community

At Harristown Rev C E Jenney and A. M. Kenney arranged for a supper to be served in the Christian church next Thursday evening at which time Rev C. E. Jenney and Judge W. K Whitfield will speak. M D. Camp will be the chairman of that township and will have charge of the local arrangements.

IN NIANTIC.

Sunday evening a Millikin meeting will be held in connection with a sacred concert which is to be given in one of the Niantic churches at which Judge Whitfield will speak,

Tuesday evening a meeting will be held at Latham at which Rev C. E. Jenney will speak and on Sunday afternoon a meeting will be held at the town hall in Austin township where Mr Jenney will also speak.

Moron, Argenta, Oreana and Forsyth were visited by J S McClelland and J H McEvoy but they did not get back in time to report at the meeting of the workers Thursday night

The work in the city will move right along without reference to that in the county Cards are being rechecked and assignments are being made to workers so that the seeing of everybody in the city may be done as quickly as possible

ONLY ONE IN THE WORLD, HE SAYS

Telegraph Operator Restored to Health—Is Enthusiastic Over Tanlac.

"Yes sir, gentlemen, you've got the only medicine in the world that will really fix a man up the way he wants to be," said W. C. Goudy, when he called at the Hoover-Lett drug store in Galesburg, Ill., the other day. Mr. Goudy lives at Rio, Ill., and is a well-known telegraph operator employed by the C. B. & Q. railroad, having been with them for nine years.

"If I had known about seven years ago," continued Mr. Goudy, "what I do now about Tanlac I would have been saved all this torment that I've had to go through with. My worst trouble was right in the small of my back and I had such terrible pains that it seemed like somebody was driving a sharp two-edged knife right through me. I had to be careful even the way I turned over in bed or the pain in my back would nearly take my breath, and as time went on, the pain became so great that I could hardly sit still long enough to send a telegram. They all told me I had an awful bad case of kidney trouble but it all started from stomach trouble I know, because years before this I suffered terribly from fermentation and severe burning like a coal of fire in my stomach. I had a poor appetite and the little I ate soured on my stomach and caused gas to form, and my nerves were all to pieces.

"About this time I began to notice where Tanlac was helping people right along and I decided to see if it would do me any good. I thought Tanlac might help me a little but I never had the least idea it would knock all my troubles to the winds and put me on my feet like it has. Why, I never felt better in my life and don't have even so much as an uncomfortable feeling now and you just ought to see me eat and no matter what I eat I don't have any bad effects. I don't have a trace of those old pains in my back now and I've forgotten how all that agony felt and my nerves are in perfect shape too. I'll tell you I just feel like a man ought to feel—strong, happy and well, and all the praise goes to Tanlac for it did it all.

Tanlac is sold in Decatur by Decatur Drug Company, in Blue Mound by W. R. Graham, and in Maroa by Smelz-Hobbs Company.

J. M. U. STUDENTS FURNISH PROGRAM

The entire program at the first meeting of the fall Thursday afternoon of the Stephen Decatur chapter, D. A. R., at the home of Mrs. Theron Powers, was given by Millikin students, and it proved unusually interesting to the women present. Mrs. Powers had her home attractively decorated with autumn leaves and flowers for the occasion. In the absence of the regent, Mrs. Robert I. Hunt, the meeting was presided over by Mrs. E. L. Pegram.

The talks by the two French young women, Marie Baudry and Henriette Mousselgt, gave the women a good idea of conditions in France during the war and their impressions of America. Mlle Mousselgt was teaching in Normandy during the war. The two young women are strong for anything American and are taking much interest in the people and in their work here.

The musical part of the program was furnished by Miss Bernice Taylor and Miss Zorah Miller, the two scholarship students at the Conservatory. Miss Miller played "Etude de Concert" (MacDowell), and Miss Taylor sang "Caressilde" (Handel) and "Love Has Wings" (Rogers).

Refreshments were served after the program.

The hostesses assisting Mrs. Powers were Mrs. E. L. Pegram, Miss Belle Ewing, Mrs. Jeannette B. Crea, Mrs. T. T. Roberts, Sr., Miss Marie Smith and Mrs. C. M. Dawson.

Out of town members present were Mrs. Charles Hartzell of Porto Rico, Miss C. M. Dawson, Lovington, Mrs. John H. Crocker, of Maroa, and Mrs. C. A. Hight and Miss Hight, Dawson City.

Miss Helen Caldwell will be home Saturday from the University of Illinois to spend the week-end with her parents, Mr. and Mrs. George A. Caldwell.

D. M. Swarthout, Miss Grace Starr and Miss Florence Brown of the Millikin Conservatory of Music went to Warrensburg, Thursday afternoon to give a program at a club meeting. Mr. Swarthout gave a talk, Miss Starr piano numbers and Miss Brown violin selections. The meeting was in charge of Mrs. J. W. Watkins.

Mr. and Mrs. Frank Curtis and Mr. and Mrs. H. I. Baldwin, who are on a motor trip through Kentucky and Tennessee, are having a most delightful journey. They have been finding fine roads and the weather is ideal.

After leaving Decatur they went direct to French Lick Springs, making the trip there in one day. They spent three days at French Lick, and then went to Louisville, Ky., expecting to visit Cave City, Nashville, and other points before returning. They will be home about the middle of next week.

Miss Zorah Miller and Miss Bernice Taylor, scholarship students at the Millikin Conservatory of Music, gave the musical part of the program at the D. A. R. meeting Thursday afternoon.

Mrs. George T. Davis and sister Mrs. Luce, and Miss Mary Hanna, all of Bloomington were guests of Mrs. H. D. Spencer and Miss Jeannette Rogers at the golf luncheon at the Country club Wednesday afternoon.

MISS MILLER TO WED LOWELL GILL

At Miss Joy Cowan's buffet supper Thursday evening, announcement was made of the approaching marriage of Miss Helen Miller and Lowell O. Gill. The wedding will take place at the Miller home Monday, Nov. 3.

The news was written on tiny gold slippers, hidden under the ice glasses. After the letters, which had been turned around, were put in order the guests read "Helen and Lowell, Nov. 3." The decorations on the table were gold baskets filled with lavender flowers, tied with lavender tulle.

Miss Miller is the daughter of Mr. and Mrs. J. W. Miller and is a graduate of the J. M. U. She is a member of Zeta Tau Alpha sorority. Mr. Gill is also a graduate of Millikin and since his return from the service has been employed as chemist at Staley's. He is a member of Tau Kappa Epsilon fraternity.

COMMUNITY SOCIAL AT WESTMINSTER

One hundred and fifty persons attended the community social held Thursday evening in the Westminster Presbyterian church. Miss Helene Parker gave a violin solo, Miss Fredarieka Green sang. Miss Geneva Tucker read, and John Fulton sang. Following the program, a social hour was enjoyed and refreshments were served by the women of the church.

DECATUR PEOPLE AT URBANA MEET

The fourth annual Better Community conference opened Friday morning at Urbana. One of the speakers at the opening session was John F Mattes, of Decatur. His theme was "The Boys and the Council."

Mrs. Charles G. Powers and Mrs. H. D. Spencer expect to go over Saturday to attend the conference Saturday evening for those interested in the extension of art. Mrs. Powers is a member of the committee on this movement. A dinner is to be served, and following the dinner there will be a discussion led by Lorado Taft, the sculptor.

Mrs. Powers and Mrs. Spencer will return home Sunday.

400 AT CHICKEN PIE SUPPER

Many Decatur people, as well as many from surrounding towns, went to Forsyth Thursday evening for the chicken pie supper served by the Ladies' Aid society of the Forsyth church.

The supper was served at the I. O. O. F. hall, and in the neighborhood of 400 people were served. Receipts for the evening were close to $200.

GIVE RECEPTION AT ARGENTA

Argenta, Oct. 3.—Rev. and Mrs. Montgomery, who leave Thursday for Latham, were given a surprise farewell reception in the Methodist church Monday evening. More than 100 of their friends met at the church. Refreshments of ice cream and cake were served. Rev. Mr. Montgomery has been pastor of the Argenta church for the past three years.

During the evening Rev. Mr. Montgomery gave a short talk, followed with a talk by Rev. Mr. Trickey. Several old favorite songs were sung and solos were given by Rev. Mr. Montgomery, Rev. Mr. Trickey and Mrs. B. L. Reeves, with Miss Elma Cross at the piano.

Weddings

PATTERSON-WEBSTER.

Miss Cleta Patterson and Owen Webster, both of Decatur, were married at 8:30 Thursday evening in the home of the bridegroom's parents, Mr. and Mrs. Fred Webster, 749 East Decatur street. Rev. J. B. Williams, pastor of the Church of God at 412 South Broadway, performed the ceremony. The bride is the daughter of Mr. and Mrs. Oren Patterson. She has been employed by the Central Union Telephone company.

About thirty-five friends and relatives attended the wedding. A little niece of Mr. Webster, Lavere Beck, was flower girl.

Mr. Webster is employed as a clerk at the Wabash. Following a trip to Chicago they will make their home at 749 East Decatur street for the present.

BALLENGER-WEINER.

Robert Ballenger, Jr., surprised his parents, Mr. and Mrs. R. R. Ballenger, 1172 North Union Street, when he returned Thursday evening, after serving thirteen months overseas, bringing a bride with him. His bride was Miss Irene Weiner of Henderson, Ky. They were married Wednesday in the Central Methodist church of Evansville, Ind.

Mr. Ballenger met his bride while serving with the old L company of Decatur as guard at Henderson, Ky. He was sent overseas with Bakery Co. 322 and having returned recently is now at Camp Merritt.

Mr. Ballenger is spending a thirty day furlough with his parents. He will not be discharged from the army until after June 28 as he re-enlisted for one year on June 28, just twelve minutes before the treaty was signed in Versailles.

All the children of Mr. and Mrs. R. R. Ballenger were home to welcome the newly weds. The children are as follows: Mrs. Ira T. Williams of Glenridge, Ill., Mrs. William Lanham of Marysville, Kan., and John Ballenger, who lives at home.

TWO TAYLORVILLE RESIDENTS DIE

Taylorville, Oct. 3. — Miss Emma L Vollintine) a member of one of the pioneer and prominent families of Bear Creek township, died in St. Vincent hospital in this city after a long illness. She was the daughter of George W. Vollintine, who died some years ago The funeral services will be held Saturday afternoon at 1 o'clock from the residence of her sister in this city. Rev. John Rugh will be in charge and interment will be in Oak Hill cemetery.

Miss Vollintine is survived by two sisters and four brothers. The sisters are Miss Bell Vollintine and Mrs. A. J. Willey of this city. The brothers are W. E., George R. and Ed W. Vollintine of this city and Albert H. Vollintine of Chicago. She was born Dec. 10, 1857.

MRS. PETERS DIES.

Mrs Godfrey Peters, an aged and respected resident of this city for the last twenty years, died in the home of her daughter, Mrs. Ed Minnis, in this city last night. She was exactly seventy-two years of age at the time of her death. Surviving are the husband, a daughter, Mrs. Ed Minnis and two sons, Fritz, of Taylorville, and Julius, of Butte, Montana.

ASK MARRIAGE ANNULMENT.

Suit for the annulment of the marriage existing between Lela Ellinger and Samuel L. Ellinger, both of this city, was brought in the circuit court yesterday afternoon by Rose Hawkins, mother of the bride, as next friend. The grounds alleged for the annulment are that the husband was unable to complete the marriage relation. The woman is sixteen years old and the defendant is eighteen years of age.

BIELSMITH WILL.

The will of Mrs. Nellie Bielsmith of Assumption, was filed for probate in the county court yesterday. The will gives the entire estate, both personal and real to the husband, William, during his life time, and makes him executor. On his death the property is to be divided share and share alike between the children who are Rolla J. Bielsmith, Ruth H. Lake, Vernon H. and Glen O. Bielsmith. The hearing has been set for Oct. 27.

WANT IMPARTIAL NAME.

The two arbitrators who are to select the third man to sit with them on the hearing of the dispute between the employes and the officials and the Chicago and Illinois Midland are going to await the appointment of a third arbitrator by the Federal board of arbitration according to a report yesterday. The object is to get an impartial man who is known to neither side and who will be the object of undivided interest on either side.

The time for the two to agree is up Sunday and when it expires the government will name its man and the hearings will begin within ten days although the government has ten days in which to select its representative before the law compels the appointment. Then another period of ten days is allowed to complete the arrangements for the hearing.

ASKS DIVORCE.

Charges that her husband deserted her, that he was guilty of extreme and repeated cruelty and that he has been guilty of habitual drunkeness are made in a bill for divorce filed by Beulah Arvin against Bernard Arvin, in the circuit court yesterday. She is a resident of Pana.

MANY TAKE FLIGHTS IN AIRPLANE

Assumption, Oct. 3.—A balloon which makes ascensions each day and two aeroplanes are the chief attractions at the Assumption home-coming, horse, corn and poultry show, and already a number of men and women have enjoyed their first flights

Everything is moving along nicely Some little disorder resulted Wednesday when an attempt was made to close up one of the amusement booths, but it was finally settled satisfactorily.

ELMER ORR FIRST UP.

The greatest attraction is the aeroplane and Assumption men and women Elmer Orr was the first man to go up. He liked the sensation very much and following him were: Frank Gandy, Homer Fultz, O. D. Hedrick, Edward Miller, Frank Oaks, Orville Fritz, Othello Daly and many others, whose names could not be learned. No ladies tried it on Wednesday, but Mrs. Elmer Orr led the ladies on Thursday morning. Following her were Mrs. Edward Miller, Mrs. Homer Fultz and Miss Lois Howrighous. All the ladies were delighted with the experience and several others have signified thir intentions to try it out before the aeroplane leaves town.

COMING EVENTS IN CENTRAL ILLINOIS

Are Steel Strike Leaders Patriots or Bolshevists?

"We are going to socialize the basic industries of the United States. This is the beginning of the fight. We are going to have representatives on the board of directors of the Steel Corporation," declared John Fitzpatrick, Chairman of the Committee of Twenty-four, representing the twenty-four separate American Federation of Labor unions participating in the steel strike. T. J. Vind, general organizer of the American Federation of Labor in the Chicago district made even a more defiant cry when he declared that "The strike won't stop until steel-workers become the lawmakers at Washington."

While many editorial writers outside the labor press take these and other statements of the strike leaders as an indication that they aim at nothing less than industrial revolution, **The New Majority**, of Chicago, organ of the Labor party, counters with a charge of "high treason" against Judge Gary, of the United States Steel Corporation, because he denied the strikers "their constitutional rights of free speech, press and assemblage," and it affirms, "he has set himself and his steel trust up in defiance of the Government and Constitution of the United States as superior to them."

Concerning the union demand for increased wages the labor leaders admit, according to a correspondent of the New York Tribune, that the wages to employees of the steel industry have increased about one hundred per cent in the last four years, but "even this increase has not sufficed to improve their originally wretched conditions. They tell of human beings living like cattle in miserable shacks and hovels. The answer of the employers to this contention is that with the foreigners in the mill and furnaces the rate of pay has nothing to do with the standard of living, as the purpose of this class of laborers is not to live well, but to live as poorly as possible in order to save as much money as possible, usually with the intention of returning to Europe when a certain sized stake has been attained." The employers support their contention by pointing to a scale of wages ranging from $3.50 to $6.00 a day for unskilled help, and from $7.00 to $80.00 a day for skilled help.

For a comprehensive review of the great steel strike from all angles, read THE LITERARY DIGEST for this week, October 4th. Other striking features in this week's DIGEST are:

Otherwise there is little change in the local markets A good many pumpkins are now being offered at 15 and 20 cents, and Hubbard squash are selling at 25 and 30 cents Green beans are 10 cents

FRUITS

Fruit prices are about the same as they have been. Apples are not so plentiful and are of only fair quality. They are selling at 65 cents a peck or six cents a pounds

Peaches are 25 cents a basket bananas 10 cents, California grapes 20 cents a pound, and oranges 60 cents a dozen

MELONS

Melons are disappearing from the markets The Rocky Fords are practically the only ones selling now that are of good quality Most of the melons coming in locally are only fair The season is about over as far as they are concerned

Many sweet potatoes are being sold now The genuine Jerseys sell around 10 cents a pound and the Virginias three pounds for a quarter They are good quality.

CRANBERRIES, NO SUGAR

The shortage of sugar may not worry the men folks so much, but at this time of year it is a great inconvenience to the women who are trying to provide something to eat during the winter season Canning, making jelly preserving and things of that sort, all are waiting because the women can not get sugar

The sale of cranberries is hindered considerably because of the shortage of sugar. No one wants cranberries without sugar, and therefore people have to go cranberry hungry If the sugar situation does not improve what will we do on Thanksgiving?

ASK OPINIONS ON H. S. PROPOSITION

Clinton, Oct. 3.—There was a good representation at the meeting of citizens in the Commercial Club rooms Wednesday evening to discuss the proposed community high school and the important question of taking in more territory for the school. Edward Wade, retired merchant of this city, was chairman of the meeting.

It was voted unanimously that the chairman be given the power to appoint a committee to interview leading citizens of outlying townships as to their desire to go into the organization, and if so, the present community high school organization will be dissolved and a township high school, which may take in more territory than Clintonia township, formed.

WILL OPEN MEAT MARKET.

The vacant store room in the Murphy building, on North Monroe street, has been leased by Herman Ogden, formerly of this city, but for the past two years residing in Forest Grove, Mont., and he will occupy the same with a meat market.

ARGO-McANALLY.

On Tuesday evening at 8 o'clock in the home of Mr. and Mrs. Charles Argo was solemnized the wedding of their daughter, Miss Edna, to Benjamin McAnally. The couple were attended by Mr. and Mrs. R. J. Phley, cousins of the bride. Rev. M. G. Linton, pastor of St. Paul's Universalist church, performed the ceremony. After the ceremony a three-course supper was served. The bride is a graduate of the Clinton high school and is a member of several clubs and is prominent in social circles. The groom is a prominent young business man, being in the auto repair business. Mr. and Mrs. McAnally left for Chicago, and on their return will make their home with the bride's parents.

CARTER'S SALE.

The big sale of Shorthorn cattle at the farm of S. K. Carter in Harp township, will be held Friday, Oct. 10. Fifty cattle will be sold, and all are pedigreed. It will be a good opportunity for buyers of high-grades.

LEGION DRIVE ON.

The American Legion will begin a membership drive at once and end Oct. 15. There are 160 members and it is expected it will be increased to 300 more during the drive. There are about 1,000 in the county eligible to become members.

WELDON'S BIG DAY.

Weldon has raised about $1,000 for its home-coming, Oct. 10. Several hundred pounds of beef will be roasted and a free luncheon served.

SUITCASE RECOVERED.

W. S. Edwards, farmer, residing near Lane, today recovered, through J. W. Persons, sheriff, a suitcase containing clothes of Mrs. Edwards valued at $125. This suitcase was stolen from Mr. Edward's automobile while Mr. and Mrs. Edwards were on a tour through Iowa about two weeks ago. Mr. Edwards thought no more of the matter until he noticed a want ad in a Decatur paper of a suitcase which was found in a school yard in Iowa. Mr. Edwards wrote to the man, who replied that the grip had been found and that he would send it for a reward. Mr. Edwards got in touch with the sheriff and a result was that the grip was returned to Mr. Edwards.

TEACHERS' INSTITUTE OCT. 6.

The teachers' institute which opens for the teachers of the county on Monday, Oct. 6, lasting through the entire week, has one of the strongest programs of recent years for teachers' institutes. A largo number of instructors are from the State Normal university of Normal.

Clinton school and all schools of the county will be dismissed for the Institute. Registration early on Monday morning for teachers opens upon the sessions.

PRINCE OF WALES NOT TO TOUR U. S.

Washington, Oct. 2.—The prince of Wales, who is now touring Canada, will come to Washington in about a month for a visit of three days, but he will not make a tour of the United States, Mayor Babcock of Pittsburgh has been informed by Chairman Porter of the house foreign affairs committee.

Celebrate Anniversary.

Mr. and Mrs. T. J. Ater, 935 North Main street, celebrated their thirty-seventh wedding anniversary Thursday, Oct. 2. Mr. and Mrs. M. E. Clifton of Mongo, Ind., and Mrs. Lucy H. Williamson of Mt. Vernon, Ill., were guests at dinner. Mrs. Clifton and Mrs. Williamson are both nieces of Mrs. Ater.

755 ACRE IMPROVED STOCK AND GRAIN FARM AT

PUBLIC SALE

WEDNESDAY, OCTOBER 8, 1919, at 2 P. M.

In front of Commercial State Bank, Windsor, Ill.

This farm is known as the Moberly Goat and Mule Farm. Located 6 miles northwest of Windsor, Ill., and 4 miles northeast of Middlesworth.

IMPROVEMENTS—Good 9 room frame house, good horse barn 30x75 ft., with stalls for 14 horses, broom-corn shed with haymow above, cattle barn 50x100 feet, with haymow in center, garage 12x22 feet, wagon shed, poultry house, wood house, 60 foot hog house just completed, 6 ton farm scales and other outbuildings. Two good wells of excellent water, elevated tank and necessary piping, two good orchards.

THIS FARM IS LOCATED IN THE BLUE GRASS, CLOVER AND CORN BELT OF ILLINOIS.

300 acres of smooth tillable land, 150 acres of assorted timber, most of which is hardwood, remainder in blue grass and clover pasture. Several running streams and springs that never go dry furnish an abundance of water, making it a livestock paradise.

Corn raised on this farm last year averaged 51 bushels to the acre. There are about 75 acres of smooth bottom land that can be cultivated, and it is very seldom that any part of it overflows.

The farm has two orchards. It is fenced entirely, including cross fences with wire fencing and it is nearly all hog tight. The tract could be divided so as to make several farms if preferred, as the public road runs through about the center of it, close to the improvements. Telephone in the house. Daily delivery of mail.

Will be offered in 30, 40, 160 and 320 acre tracts, then as a whole, sale made the way most money is realized.

This is a good combination stock and grain farm with some rough land among the timber, making good wind-break for stock, with plenty fine cultivatable land and the best of blue-grass and clover pasture in Central Illinois. Absolutely a big money-maker.

TERMS: 25 per cent cash sale day, 25 per cent with possession March 1st, 1920, remaining 50 per cent can run 5 years at 6 per cent.

Abstract to date showing good title and warrantee deed given. The owner will be at the Commercial State Bank, Windsor, the ten days preceeding the sale to show land.

J. A. ELKIN, Owner.

Jno. R. Bradshaw, Auctioneer, Decatur, Ill.

URGE ALL TO GO TO CHURCH SUNDAY

Special Rally Day Services Arranged.

Everybody in Decatur should prepare to go to church Sunday. If they don't the preachers will be disappointed because they are inviting every one to attend services that day Sunday has been designated by the Church Federation as rally day in all the churches, and the ministers are making plans for observing the day. Rally day, however, is something which the preachers can not observe by themselves; they must have the cooperation of the people if the day is a success.

Several of the churches have been having some preliminary rallies already, preparatory to the one big rally Sunday. Indications are that large audiences will be out for the services on Sunday.

A rally day in the fall is always quite appropriate. Naturally during the summer, when so many people are away on vacations, church work drags somewhat. When people return home, and the weather becomes cooler, every church is prepared to put forth more energetic efforts than has been done in the summer For the first time in Decatur in several years a general rally day has been planned this fall, and all the churches represented in the Church Federation are cooperating

Hear Reports.

The Woman's Missionary society of the Central Church of Christ had thirty-five members present at the meeting Thursday afternoon Mrs John Marshall led the meeting. Reports of the year's work were turned in. It was reported that, after paying all debts, there was money in the treasury. The society will continue the Living Link work they took up last year

GO TO CHURCH —SUNDAY—

Next Sunday, Oct. 5th

has been designated as Rally Day in the churches in Decatur and every one is urged to attend services that day.

St. Paul's Aid.

The Ladies' Aid society of St. Paul's Methodist church held its monthly Silver Social Thursday afternoon in the home of Mrs E L. Reeves, 1048 East Eldorado street. The offering amounted to $2.75. A meeting will be held at the church, Oct. 16 to do some sewing for the Welfare Home.

Hear Missionary.

Delegates from the First and Third United Brethren churches, as well as members of several other churches, heard Miss Lula Clippenger's address on missionary work in Africa at the Second United Brethren church Thursday evening. Miss Clippenger gave a number of interesting incidents showing the superstitions of the African people and their needs. Miss Clippenger is making a tour of Illinois for the Woman's Missionary society.

Elect Delegates.

At the meeting of the Church Council of the English Lutheran church Thursday evening, F. O. Tulpin was elected a delegate to attend the meeting of the Chicago Synod in Chicago Oct 7 and 8. Mr. Tulpin was also appointed captain of the team for benevolence work.

Junior Society.

The Young People of St Johannes' Lutheran church decided at a business meeting Thursday evening to organize a Junior society for the last two classes that have been confirmed.

A new constitution has been drafted for the society. It will be read and voted on at a meeting Oct. 23.

The Arion Glee club has been given permission to use the church hall Oct. 28 or 29 for an entertainment.

PROMOTE PUPILS NEXT SUNDAY

Second Presbyterian to Have Exercises.

Promotions will be made Sunday morning in the lower departments of the Second Presbyterian Sunday school. Next Sunday will mark the beginning of the year's work. Opening exercises for the Young People's and Adult departments will be combined and at this time Miss Florence Brown will play a violin solo. It is important that all members be present a little before 9:30 Sunday morning.

The diplomas will be granted to the graduates during the first ten minutes of the church service. Members of the Sunday school should plan to remain for this part of the church service Mrs. W. L. Huff will direct the dramatization of a Bible story by the Junior boys and girls downstairs during the sermon

Those graduating from one department to another in Sunday school are:

DENY RIGHT TO INCREASE RATES

Mattoon, Oct. 3.—The State Utilities Commission has denied the Central Illinois Public Service company permission to place into effect as of October 1 its proposed new heating rates according to information received in Mattoon Thursday. The commission has held that the increased rates authorized by its order of January 7, 1919 should be continued until the hearing on the proposed new rate increase has been completed.

The Public Service Company last January secured permission from the utilities commission to charge until October 1, 1919 an increased rate of one-third for heating service extended in Mattoon. Recently the company asked for permission to begin charging its heat patrons on October 1, 1919, another increased rate, the proposed new rate being one-third more than the temporary increased rate now in effect.

ELECTRIC ENGINE FOR COAL MINE

Is Second for Decatur Coal Co.

MACHINES SHIPPED

Mining Equipment Expected Here Soon.

The second gasoline locomotive for the Decatur Coal Co. has arrived and is now on the ground at the shaft ready to be taken apart and sent below there to be re-assembled for hauling coal cars from the drives to the bottom of the shaft. This locomotive is really the same in principle as the ordinary automobile except that it runs on rails.

PULL 60 CARS.

The machine has a clutch lever, a reverse, a brake, all operated from the rear end of the machine just as an automobile would be operated except that there are no fancy nickel fixings. It can haul sixty mine cars of coal, sixty tons, weighs nine tons itself and has a speed of eight miles an hour.

Owing to its weight and size it will be taken apart to be sent to the bottom of the shaft where about a mile of heavy track has been laid for its use.

EXPECT MACHINES.

The electric mining machines, which will permit of almost double the mining capacity of the men, have been shipped for several weeks and should be here within a very short time.

The electrical wiring for the new machines has been completed in the mine and little delay will occur between the arrival of the machines and their operation The machines will permit the miners to increase their earnings greatly as they will give a much higher tonnage capacity to each miner. As these workmen draw their pay on a tonnage basis the new machines will be of direct benefit to them.

The present demand for coal at the shafts is very heavy, many teams waiting turns at the chutes all the time.

COUNTY OFFICIALS CLOSE CONVENTION

Local Men Return From Peoria and Report Good Session.

County Clerk C. H. Patterson and Supervisors J. D. Johnson, J. N. Orr and H. R. Woodcock arrived home Thursday night from Peoria, where they attended the thirty-third annual convention of county clerks, supervisors and county commissioners. It was one of the best meetings they ever held. Practically every county in the state was well represented. There was a great deal of interest taken in the discussion of various laws passed by the last legislature.

Among the speakers at the banquet were Congressman W. B. McKinley, Senator Bailey and Senator Kissinger.

WOODCOCK SPEAKS.

Mr. Patterson introduced Supervisor Woodcock as the son of the founder of the association to the president of the organization and later in the meeting the president called on Mr. Woodcock for a speech and the latter responded, making a pleasing talk.

Next year's session will be held at Ottawa and a feature of the entertainment will be a trip to Starved Rock and vicinity.

Members of the Peoria delegation said that they would be glad to entertain the convention again next year, but that city has had the convention twice and did not want to appear selfish, so they all voted for Ottawa.

BURGLARS ENTER S. A. HESS HOME

Thoroughly Ransack Place and Take Several Things.

The home of S. A. Hess at 236 West division street, was entered by burglars Thursday afternoon and the house completely ransacked. Some things of value such as gold chains and rings and an opera glass were taken. There was no money in the house. The burglars seemed to have a discriminating eye for articles of solid gold and those of gold filled or plated ware were left behind. The search was evidently most thorough and while drawers were carefully closed after they were through nothing was left untouched.

The house was entered by way of a kitchen window after they had failed to gain an entrance through the basement by cutting out a window screen. Mr. and Mrs. Hess were both away from home.

AUTOS COLLIDE AT STEVENS CREEK

Accident Due to One Car Skidding in Gravel.

T. M. Thompson of Oak Crest was out of luck Thursday afternoon, when he had a new Essex sedan pretty badly used up, and without any fault on his part. It was a brand new car, and he was taking it out on its first trip.

The accident was near the Stevens creek bridge on the West Main street road. Mr. Thompson was driving west. E. D. Malone of Shelby county was coming east on the same road. Malone was going pretty fast and struck loose gravel on the highway. Immediately in front of Thompson, Malone's car skidded and shot straight across the road.

There was no chance for Thompson to stop, so he went into the Malone car. Mr. Malone's car was quite badly used up, and Thompson's car was seriously damaged. The loss on both cars is several hundred dollars.

CHICAGO DEALERS ASK FOR SUGAR

Call Local Wholesalers by Telephone.

How serious the sugar situation is in Chicago may be judged by the fact that a Decatur wholesale grocer had long distance telephone calls from two candy manufacturers and one preserving company in Chicago Thursday asking for any sugar the Decatur jobber could possibly spare, from one bag to one hundred.

As the Decatur dealer has none for his own trade he could not assist the Chicago manufacturers.

NO CHANGE IN LOCAL TRAINS

C. I. & W. Card Effects Only Eastern Lines.

There are no changes in train schedules on this division made by the new C. I. & W. time card which goes into effect next Sunday says Trainmaster Bartlow who was here Thursday evening. The changes are all on the east end of the road. It is believed here that the new time card may restore the C I. & W.—Monon service between Chicago and Cincinnati. It was one of the first acts of the Federal general manager, say C. I. & W. people, to abolish this through service. The federal general manager, by the way, is a Big Four man, and his jurisdiction includes the Monon and the C. I. & W. The through service of the C. I. & W. and Monon naturally competes with the Big Four service from Cincinnati to Indianapolis.

The C I. & W. and Monon trains still make connections at Indianapolis for Chicago and Cincinnati but these roads are not permitted to operate through cars.

RAILROAD NOTES.

The C. I. & W. one day last week handled a train of forty-seven car loads of army motor trucks from Indianapolis to Springfield. The train was delivered to the C. I & W. by the Indianapolis Belt line at 7 o'clock in the evening and was in Springfield at 6 o'clock next morning. The trucks were from Fort Benjamin Harrison at Indianapolis and their destination was Springfield.

A quantity of new gravel is being put on the C. I. & W. between Decatur and Indianapolis and in some places new rail is being laid. Gravel is being distributed at Long Creek, La Place, Casner, Tuscola, Murdock and at various points in Indiana. The business of the road is now as good as to permit the expenditure of considerable money for the physical improvement of the property.

SHERIFF BREAKS BONE IN FINGER

Playing Volley Ball at Y. M. C. A. With Secretary Duerr.

Sheriff M. E. Peniwell is carrying his left hand in a sling. Mont said Friday morning that he hadn't intended to say anything about his accident, but he knew that Secretary Bill Duerr of the Y. M. C. A. would tell everybody anyway so he might as well give the details.

He and Secretary Duerr were playing volley ball at the Y. Friday night. Mr. Duerr represented the Sox and Mont the Reds and Mont was demonstrating the superiority of the Cincinnati organization over everything else when a bone in the little finger of his left hand was broken. "That's the truth, the whole truth and nothing else but the truth," said Mont, "and you can also tell them that my trigger finger is still all right and I don't want anybody to come around kidding me."

"BILLY" MILLS IS IMPROVING SLOWLY

Is Conscious All the Time With Hole Through Head.

While the condition of Billy Mills, little son of Attorney and Mrs. Walter Mills, is not improving very fast, his physicians say that his condition is as good as can be expected He is conscious all the time, but has not said a word about the accident. It will be several days before he can be said to be out of danger, but each day he lives strengthens his chance of recovery with a bullet hole clear through his head, the wonder is that he is alive at all.

ENGAGE ROOMS FOR ELKS' CONVENTION

Many Reservations Being Made at Hotels.

Reservations for rooms for the Elks convention next week are coming in large numbers to the hotels. It is expected that hotel accommodations will be rather scarce next week with both the Elks and Missionary conventions in Decatur at the same time.

Between 300 and 400 Elks alone are expected as the meeting has been given much publicity over the state.

SEVEN WANT TO BE CHEER LEADERS

Try Out is Held at High School for Selection of Two.

Seven boys had a tryout for the position of cheer leader at the high school auditorium Friday morning. There are to be two elected. One is senior cheer leader who must be a senior and the other, the junior cheer leader, who represents the other three classes and may belong to either of them. The seven candidates for the enviable position are Oscar Owen, Harold Hawber, Corwin Lewis Calvin Stewart, Philip Bruso and Lynn Pensinger. The cheer leaders are selected by the student body.

The cheer leaders are chosen on the basis of ability. A good cheer leader must have the ability of leadership, a voice that can be heard, enduring optimism, courage under defeat, resourcefulness and a knowledge of the psychology of a crowd. Through the latter quality he knows when to cheer and how to cheer in particular emergencies.

The cheer leaders are awarded D's at the end of the year. They must come under certain eligibility rules the same as members of the athletics teams. If they are good yell leaders they contribute no small measure to the success of the teams.

MILLIKIN LEAVES FOR GAME TONIGHT

Expects to Give DePauw a Hard Run.

Coach Norman G. Wann and his Millikin football team will leave Friday night on the first lap of their journey to Greencastle, to meet De Pauw. The squad will spend the night in Mattoon and will complete the trip to Greencastle Saturday morning.

The team as it will line up for the opening whistle will be made up of the following men: K. MacWherter, le; Ward, lt; Graham, captain, lg; C Wise, c; Adkins, rg; Goltra, rt; Young, re; Johnson, qb; J. MacWherter, lh; Bailey, rh; Gepford, fb. Substitutes will be Keener, Poscover, F. Wise, Gill, Hamilton and Deal.

GEPFORD LAME.

It is likely that several of the reserves will get into the fray at some stage of the game. Gepford has been bothered some with a bad leg this week but unless he sustains further injury to it it will not handicap him to any great extent.

The squad as a whole is in the best of shape and should be able to give DuPauw a run for her money. Some idea of the kind of team Millikin is meeting at Greencastle may be gathered from the fact that later on in the season DePauw meets such teams as Northwestern, Purdue and Indiana State.

TROOP 7 LOSES ITS FIRST GAME

Nelson's All-Stars Win 13 to 0 in Rugged Game.

Troop 7, Boy Scout, suffered its first defeat of the season Thursday afternoon when Nelson's All-Stars, a mixed west end team defeated the Scouts 13 to 0.

The Scouts offer as an excuse the fact that they were forced to use their substitute line because of the absence of regular line men.

Atkinson, full back for the Scouts, was the most consistent ground gainer and played an excellent game until forced to leave the game in the third quarter because of an injured knee. Havighurst at end, played well on defense and nailed a forward pass for a thirty yard run in the third quarter.

For the All-Stars Thompson, a colored lad, showed a great knack of picking up fumbles and getting somewhere with them while, Nelson and Lyons played good football although somewhat loose at times.

The line up was as follows:

Scouts—Frazier, Platt, re; Wykoff, Jokisch, rt; Ditto, rg; Austin, c; Connard, lg; Burchall, Kennelly, lt; Havighurst, le; Donaldson, qb; Harrold, rhb; Jokisch, Miller, lhb; Atkinson, fb.

Touchdowns—Thompson, 2; goal kick, Nelson, 1.

CIRCUIT COURT OPENS MONDAY

First Petit Jury Will Not Be Called Until Oct. 26.

The October term of the circuit court will convene at 9 o'clock Monday morning. Judge Whitfield will empanel the grand jury at 10 o'clock but the first petit jury will not be called until Oct. 26.

This will be an interesting term. There are more divorce cases on the docket than were ever known before in one term, and in addition there are several damage suits. The grand jury is expected to return the usual number of indictments, but there are no murder cases pending for this term.

Y. M. C. A. HAS OPEN HOUSE TONIGHT

Is First of Several Similar Affairs to Be Held.

The first of a series of social evenings for men will be held at the Y. M. C. A. Friday night. The Millikin Y. M. C. A. members have been invited as special guests for this evening. Some entertainment features in the way of music by a Jazz orchestra, singing, and the like, have been arranged and refreshments will be served.

It is the plan of the Y to have similar social gatherings once or twice a month.

OLD COLONY CLUB NAMES H. N. HANSEN

Is On National Advisory Board.

HELP BUSINESS MEN

Have 14 Branches in Various Cities.

Henry N. Hansen of Decatur, has recently been appointed as a member of the National Advisory board of the Old Colony club. There are in the neighborhood of 275 members on this board, cities all over the country being represented. The September number of the Old Colony magazine contains a list of the officers and board members, among them Mr. Hansen, president of the White County Mining company.

Decatur has at least one other member of the Old Colony club, besides Mr. Hansen. That is G. E. Chamberlain of Staley's. John M. Byrne also is a member of the club.

PURPOSE OF CLUB.

Many are not familiar with the purposes of the Old Colony club, which started in New York in 1916, has had such a rapid growth that it has been necessary to increase its facilities and broaden its field much faster than was contemplated.

The Old Colony club provides business and professional men with an international chain of business clubs for business purposes in the principal cities of the United States and Canada. It is not a social club, and does not provide social features of any kind. Its aim is to furnish accommodations and service of a business character to business men in the transaction of their business affairs while away from their home cities. The need of such a service is indicated by the thousands of worth while men who have already affiliated with the organization.

FOURTEEN BRANCHES.

In the three years of the club's existence, fourteen branches have been established in as many cities. Other cities will be added as the number of subscribers increases, the purpose being to establish quarters in all the large cities of the United States and Canada, and eventually in the commercial centers of the rest of the world.

The club maintains in these cities rooms which are commodious and conveniently situated and that have an air of refinement and privacy. The club quarters, while being located in large and well-known hotels, are separate and distinct in management and are in charge of Old Colony club managers, whose sole duties are to cater to the comforts and wants of subscribers and facilitate their business requirements. The annual fee paid by subscribers entitle them to all the privileges of the club in any city in which they happen to be

EVERY APPOINTMENT.

In the waiting rooms will be found easy chairs, daily papers, current magazines, books, smoking conveniences, etc. In the conference rooms one may meet his business acquaintances. A writing room is maintained, also. On request a subscriber may have hotel rooms reserved, arrangements made for railroad and Pullman tickets, theater tickets reserved, or other matters taken care of by the club managers.

The club serves as headquarters for the members when they are away from home. Members also may extend these privileges to guests for a period of two weeks. Club managers keep well informed on local conditions, train or steamship schedules hotel rates, and many other things of interest to the traveler.

Publication of an interesting magazine is another of the enterprises of the club.

Personal

Officer A. R. Peele is taking a ten day vacation.

S. H. Rule of Petersburg, Ill., was in Decatur for a short time Wednesday evening to visit his brother, R. R. Rule of the Linn & Scruggs company. Mr. Rule is president of the First National Bank of Petersburg and was on his way home from the bankers' convention in St. Louis.

Mr. and Mrs. R. J. Stevens, 236 Cobb avenue, left Thursday evening for Chicago to spend the week end. They will attend the world series games while there.

Miss Alice Holiday and Mrs. Osborne of Carthage, Mo., are the guests of W. C. Osborne and family at 1326 North Railroad avenue. They arrived unexpectedly Thursday to spend a few days here. Mrs. Virgil Gray, 1560 East Locust street, will entertain with a family reunion for them Friday evening.

Mr. and Mrs. J. A. Bradshaw returned Thursday evening from West Salem where Mrs. Bradshaw was called last week by the death of her sister.

FUNERALS.

MRS. SARAH HASKELL.

The funeral of Mrs. Sarah Haskell was held at 10 o'clock Friday morning at the Monson & Wilcox chapel. The services were conducted by Rev. C. L. Belknap, pastor of the Illni church.

The pallbearers were J. C. Batchelder, J. T. Tucker, J. E. Brown and F. P. Brown. The interment was in the Illni cemetery.

Visiting Here.

David Portwood of Nelson, Neb., is visiting his brother-in-law, John H. Culver on West Prairie avenue. Mr. Portwood lived in Decatur twenty-seven years ago and is surprised and pleased with the development of the city since his time here. Incidentally he has developed some himself since he left here. When he went away he weighed 115 pounds and now weighs 175. He conducts a

Y.W.C.A. OPENING RALLY TONIGHT

Program Will Begin at 7:30 O'clock.

The Rally program to be given at the Y. W. C. A. opening Friday night will start promptly at 7:30 o'clock. A reception for all members and friends of the association will be held also. Girls from all departments and members of the board will be in the receiving line.

A number of repairs besides redecorating and general housecleaning have taken place during the summer months. Everything will be ready for the inspection tonight with the exception of the breakfast room which will not open until next Tuesday or later. One of the most attractive rooms of the building is the new room, recently refurnished for all the girls' club.

The pageant, "The Blue Triangle," and readings by Miss Mary Terry of Chicago will be features of the program.

BREAKFAST ROOM.

The room being refurnished for the breakfast room is the room formerly used by the girls for club and Bible class suppers. It is being refinished in blue and white. The old delf blue and white plates are especially attractive against the blue walls. The furniture is all blue and white enamel. Breakfast room monograms of B. R. are in white on each of the tables. Miss Mary Winslow will have charge of the breakfast room.

DEATHS.

MRS. AUGUST PICKUS.

Mrs. Augusta Pickus, wife of Fred Pickus, died at 1:30 o'clock Friday morning at the family residence, 1560 East Sangamon street. She was forty-nine years old. Her death was caused by a complication of diseases, after an illness of one week.

Mrs. Pickus was born in Germany, but had lived in Decatur for a long time. She was twice married. Her first husband was Karl Knifka. He died several years ago. She and Fred Pickus were married only last March. Besides her husband she is survived by the following children by her first husband: William Knifka, Otto Knifka, Herman Knifka, Ernest Knifka and Misses Martha, Emma, Eda and Helen Knifka. Mrs. Pickus was a member of St. Johannes Lutheran church, and the funeral will be held there Sunday afternoon.

MARY FRANCES BARNES.

Mary Frances Barnes, infant daughter of Mr. and Mrs. Henry Barnes, died at 5 o'clock Friday morning at the family residence, 559 North Witt street. She was nine months old. The baby was never strong and her condition had been serious for several days. Beside her parents she leaves a brother, Benjamin Barnes, and a sister, Esthel Barnes.

The funeral will be held at 2 o'clock Saturday afternoon at the residence. The interment will be in Fairlawn cemetery.

MRS ROSE HAYS.

Dr. Clare Garber received a telegram Friday morning announcing the death of her aunt, Mrs. Rose Hays of Odon, Ind. Mrs. Hays was a sister of Mrs. Savilla Garber, mother of Dr. Garber. She had visited in Decatur a number of times. She was seventy-nine years of age. Her death occurred Friday morning.

CORN SHOW NEAR ARCOLA

Arcola, Oct. 3.—Farmers of the vicinity of Quinn Chapel church are preparing for a corn show which is to be held at the church grounds on Tuesday, Oct. 14.

Over $100 in prizes is offered for the best exhibits of the different varities of Indian corn and after the show the prize corn will be auctioned off and the proceeds given to the Sunday school.

Speakers from the University of Illinois are to be present and talk on subjects of interest to the corn growers. There will be a domestic science program in charge of a woman sent by the University. Another feature of the affair is a fried chicken dinner.

The speaking is to be in the church building and the corn exhibit in the churchyard under the trees if the weather is favorable. Otherwise it will be in the Quinn Chapel school near by. The promoters invite all residents of the vicinity and will make every effort to entertain them.

BUYS BIG INDIANA FARM

Mell Crows, of this city, who owns many Douglas county farms, and large plantations in Mississippi, recently returned from Lebanon, Ind., near which place he bought a well improved fram of 176 acres for which he paid $50,000.

IRVIN WILSON WEDS

Irvin Wilson, a native of Arcola who resided here during his school days, was recently married to Miss Edith Roberts of Pimento, Ind. The couple will make their home at Terre Haute where Mr. Wilson is now employed in the traction road between Terre Haute and Sullivan.

Wilson is an overseas soldier who returned to this country in April. During his army experience he was honored by being selected as one of the guards of President Wilson during the president's sojourn in Paris.

Mr. and Mrs. Ira Franklin this week moved from this city to Colona, in the northwestern part of the state, where Mr. Franklin has been employed by a farmers' elevator company to superintend the building of its new elevator and later to take the management of the elevator, lumber yard and coal business which will be run in connection with it.

Harlow Edwards, an employe of the Arcola Record-Herald, has a badly bruised hand. While he was feeding a job of envelopes, one slipped off the guage pins and when he reached into the press to get it his left hand was caught in the machinery. The fore finger had a gash cut in it which required nine stiches to close. All the other fingers were badly bruised.

WELCOME TO ROYAL VISITORS

New York, Oct. 3.—The king and queen of the Belgians, with Prince Leopold, heir apparent to the throne cast aside today the royal "incognito" which had shrouded them since their welcome at noon yesterday to the United States by Vice President Marshall and boarded the yacht Noma in the Hudson river to make their "formal" entry into New York.

START TOUR SATURDAY.

The royal party will remain in New York until Saturday when they will start on a tour of the nation which will take them to the Pacific coast and back again to Washington, where they will be received at the White House. The first scheduled stop is Boston, where the royal party is expected to arrive on Sunday morning.

Weddings

TINSLEY-REID.

Mrs. Cora Tinsley, 40, and Spencer Reid, 42, both colored residents of Decatur, were married at 10:30 Thursday evening by Justice H. C. Noble in the court room. They will make their home at 588 North Jasper street. Mr. Reid is employed as a waiter at the Orlando Hotel.

PAGE-FARNER.

Thomas Page and Miss Mary Farner, both of Moweaqua, were married at 4 o'clock Thursday afternoon by Rev. John R. Golden, pastor of the Central Church of Christ. They were accompanied by Miss Estella Griggs of Indianapolis and Owen Smith of Moweaqua. Rev. Mr. Golden met the bridegroom last year in the army camp at Huston, Texas. The couple will make their home in Moweaqua.

GOLEMBECK-SCHILK.

Miss Helen Golembeck, daughter of Mr. and Mrs. G. Golembeck of Decatur and Otto Schilk of Detroit, were married at 4 o'clock Thursday afternoon in St. Johannes' Lutheran church by Rev. William Heyne. They were accompanied by Miss Rosie Golembeck, sister of the bride; Miss Anna Herding, Emil Golembeck and John Schilk, brother of the bridegroom.

The bride wore a white georgette dress and veil with orange blossoms and carried a bouquet of bride's roses and lilies of the valley. The bridesmaids wore white organdy and carried pale pink roses.

Following the ceremony a dinner was served to eighty guests in the home of the bride, 1219 East Orchard street. A large bell of flowers hung over the wedding cake.

The couple will make their home in a new ten room house recently built in Detroit by Mr. Schilk, who is a contractor in that city.

SEVEN EARS.

C. Weaver, living four miles north of Decatur on the Bloomington road, has brought to The Review office a stalk of pop corn which he has raised on his place, bearing seven different ears. These ears are set along the stalk at fairly regular intervals one above the other.

DANCE PERMIT.

Vernon Kramer has taken out a year's permit for dances at the New England hall.

The Commons club will have its annual election of officers Sunday afternoon at the club cabin at Faries.

SHIP AUTOS.

A single freight car was billed to California the other day loaded with three automobiles of Decatur people, who have left for that state to spend the winter or longer. The cars consiesid of two Cadillacs and a Pierce-Arrow, belonging to Dr. F A. Warnes, K. H. Roby and Dr. L. P. Walbridge.

MINCE MEAT.

"New Mince Meat" was another sign of fall which competed with the pile of watermelons on the sidewalk, a sign of summer. Strange to say the mince meat is only two cents higher per pound than it was last year. The price quoted at this time on this "pie timber" as the restaurant man calls it, is 20 cents a pound. Last year the price was 18 cents.

NO EFFECT HERE.

Telegraphic instructions sent out from Washington Friday to the effect that all federal employment offices will be closed Oct. 10 because of lack of funds do not affect the labor bureau at Decatur. The bureau here is under state supervision and is maintained by the state of Illinois, not by the federal government.

TO CHICAGO.

Commissioner Alexander Van Praag went to Chicago Friday morning and will be home Sunday.

SIGN ON FIRE.

An alarm of fire was turned in at 12:45 Friday noon when the sign on the south side of the Bachrach building, corner of East Main street and Lincoln Square, was discovered to be on fire. It is supposed that the fire started from a cigar or match dropped from the third story. The damage was slight.

BOY INJURED.

Earl Logan, while on his way to high school on his bicycle Thursday morning, was struck by a Cadillac car driven by Mr. Richard of Shelbyville, and was badly injured about the head and shoulders.

POLICE NOTES.

Fred Boyd, aged twenty-two, who has been working at J. C. Shaw's garage, was arrested Thursday night on a state warrant sworn out by Mr. Shaw and placed in the county jail on a charge of taking and running an automobile without consent of the owner. Mr. Shaw said that he gave positive instructions that the employes should not take a car out of the garage, and that Boyd disobeyed the order.

Harold Denise was arrested on two warrants, one sworn out by Edward Henshie for carrying concealed weapons and the other by August Tomale, who charged him with making threats. Denise gave bond in the sum of $600 on the two warrants for his appearance before Justice Dickinson Oct. 8.

LABOR LOCKOUT ON MAGAZINES

New York, Oct. 3.—Ten thousand members of local printing trades unions employed in 250 local plants, which publish virtually all the trade journals and magazines issued here and a large percentage of the books, were forced out of work Thursday by a simultaneous "lockout" and "strike." This action follows the refusal of the employers to grant a forty-four hour week, effective today, and a weekly increase of $14 in all wage scales.

DEFY UNION HEADS.

The most important development Thursday was the strike of 450 compositors, representing three establishments, in support of the striking printers and in defiance of the International Typographical Union, which with the other international bodies has denounced the strike and "outlawed" the striking pressmen. The compositors who previously had agreed to submit their demands to arbitration, are asking for a forty four hour week and a $50 wage scale.

STRIKE OR LOCKOUT.

The men affected by the "lockout" announced that they were on strike. The employers issued orders that their plants were to remain closed until such time as they can be reopened with forces composed exclusively of members of the international union.

Under an agreement between the employing printers and the international union, the forty-four hour week is to become effective May 1, 1921. Local unions insisted that it become effective Oct. 1, and they refused to arbitrate this point, although they agreed to submit their wage demands to arbitration. The employers, who have offered to arbitrate both the question of hours and wages, offered a wage increase of $6 a week, which was rejected by the men.

AMONG PERIODICALS AFFECTED

Among the periodicals of national circulation which have suspended publication to join in the lockout are:

Colliers.	Cosmopolitan
Good Housekeeping.	Outlook
The Independent	Pictorial Review
McClure's	Delineator
	Everybody's

In addition, numerous publications issued by the Frank A. Munsey company suspended.

HAD ROUGH TRIP TO HILLSBORO

Assistant Fire Chief Edward Platt made an automobile trip to a point near Hillsboro Wednesday, returning Thursday. He says that from Assumption south he found bad roads and the farther south he went the worse the roads were. There were two inches of rainfall there Sunday when we had barely enough rain in Decatur to lay the dust. At Assumption he found a street fair in progress and encountered a constant stream of automobiles going in the opposite direction. As a result he was plugging along in the rough most of the time for several miles.

CORN AND OATS WEAKER

Chicago, Oct. 3—Reports of a big break in Argentine corn prices tended today to weaken the corn market here. Uneasiness regarding President Wilson's condition operated also as an evident bearish influence. Besides, the excellent weather prevailing gave an advantage to the selling side. Opening prices, which ranged from ⅜@¾c lower, with December $1.26⅝@1.27⅛, and May $1.24⅝@1.24⅝, were followed by moderate additional declines.

Increased weakness developed later owing mainly to word that Argentine corn was offered at New York much below what domestic corn either old or new could be delivered for. The close was heavy, 2⅞ to 4¼c net lower, with December $1.23⅛ to 1.23⅜ and May $1.21½ to 1.24¼.

OATS ALSO SAG.

Oats sympathized with the weakness of corn, notwithstanding brisk demand from the seaboard. After opening unchanged to ⅛c lower, with December unchanged to ½c lower, the market continued to sag.

Higher quotations on hogs made provisions firm. Business, however, lacked volume.

MARKET PRICES REMAIN STEADY

Spring Chicken Wholesale Price Drops.

Grain and hog prices remained unchanged in Decatur markets Friday. Corn was decidedly weaker while hogs were a trifle higher in the terminal markets but no change was made by Decatur buyers.

Shippers of poultry dropped the price of spring chickens to 21 cents while the price of hens was advanced to 23 cents a pound. The supply of springs is steadily growing while the demand for the larger fowls is exceeding the supply.
